Go and try another one...

What about this?

*THE TARDIS LANDS ON A PLANET  
COVERED WITH ROCKS...*

Breathable atmosphere,  
high degree of seismic  
activity and high rate of  
radiations... Take a  
couple of anti-radiation  
pills...

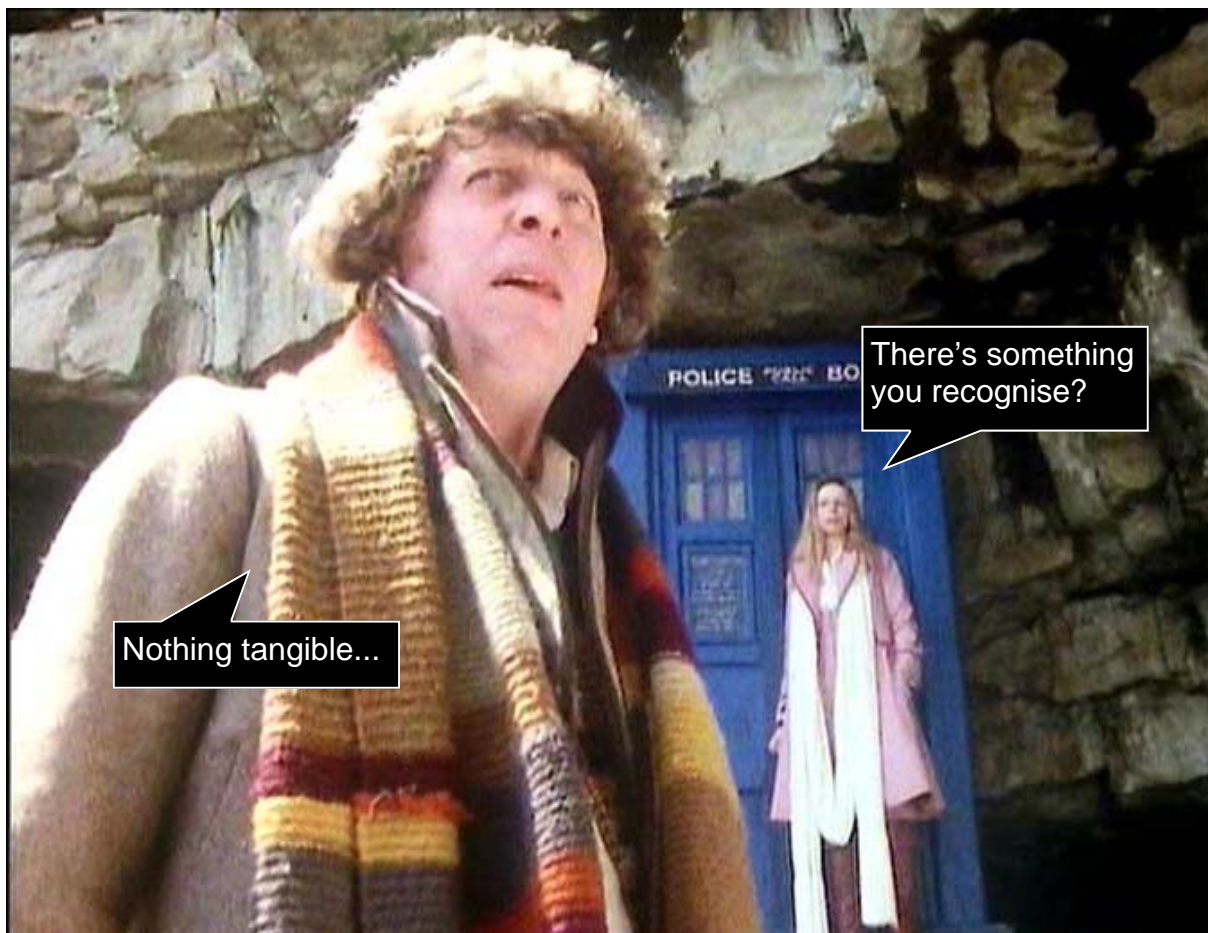

I'll take care of K-9 later...

Not the most inviting planet...

Feeling I've been here before...

*THE DOCTOR AND ROMANA  
PREFER TO KEEP COVER.*

*IT LOOKS AS A FUNERAL.*

THE CORPSE IS BURIED WITH  
SOME ROCKS FOUND AROUND  
THE PLACE.

Strange custom...

Well, you try digging a  
hole through rock... I  
want to get a closer  
look at that body!

He was a combat pilot from planet Kantria... A tropical paradise. And what's very odd, he died of exhaustion and malnutrition.

**SUDDENLY A SPACESHIP APPEARS.**

*THE TWO TIME LORDS TRY TO SEE IT  
MORE CLOSELY.*

*THE SHIP LANDS...*

*...THEN BEGINS TO DIG THE  
GROUND...*

*...UNTIL IT DISAPPEARS ALMOST  
COMPLETELY, SHOWING ONLY ITS TOP.*

THEY FIND A SHELTER IN A BUILDING.

By this way!

These explosions, where are they coming from?

High impact phason drills...

*EXPLOSIONS GO ON, AND THE  
CEILING FALLS DOWN...*

*A COLUMN FALLS ON THE  
DOCTOR...*

Don't go away, will you?

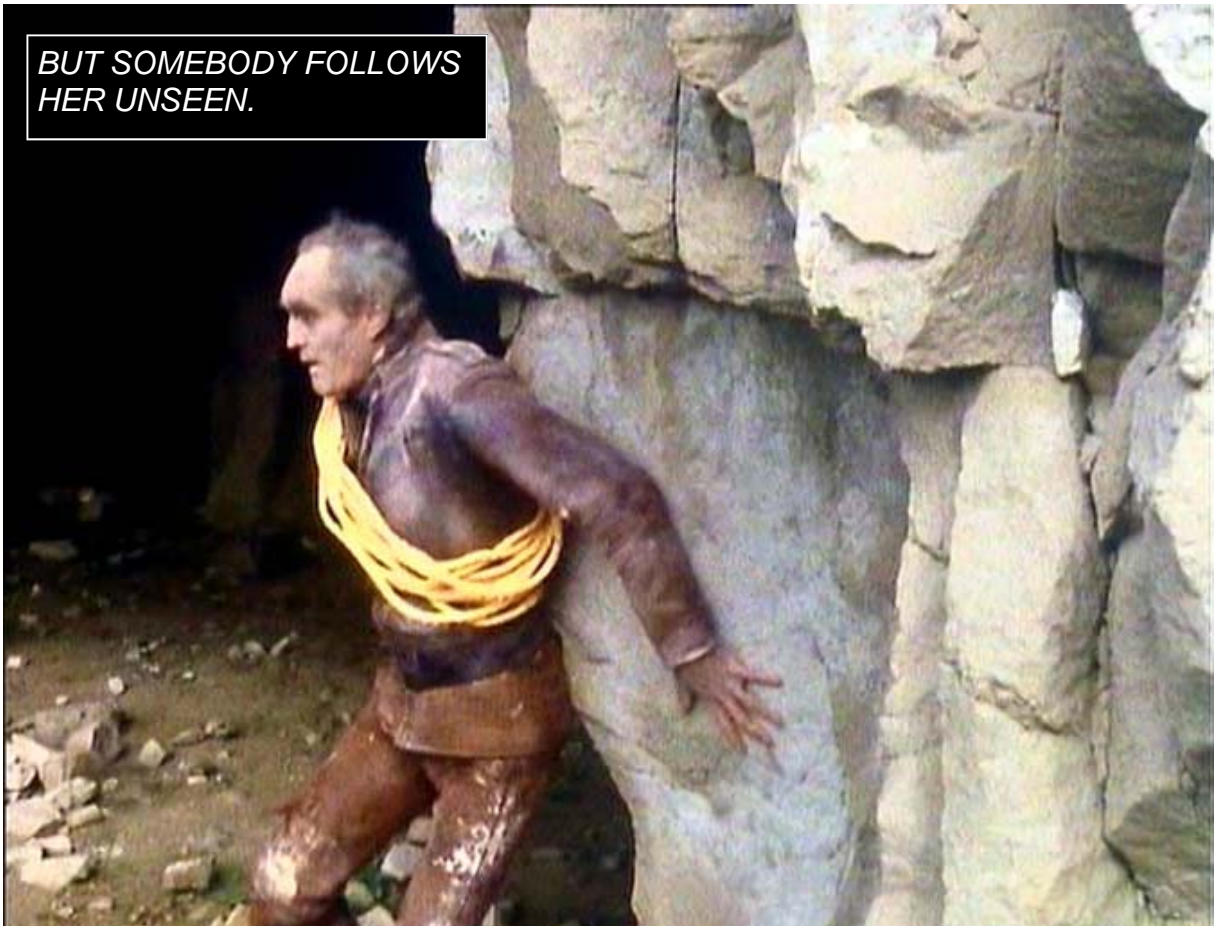

I had rather hoped you'd resist the temptation to say that...

**ROMANA GOES BACK TO THE TARDIS.**

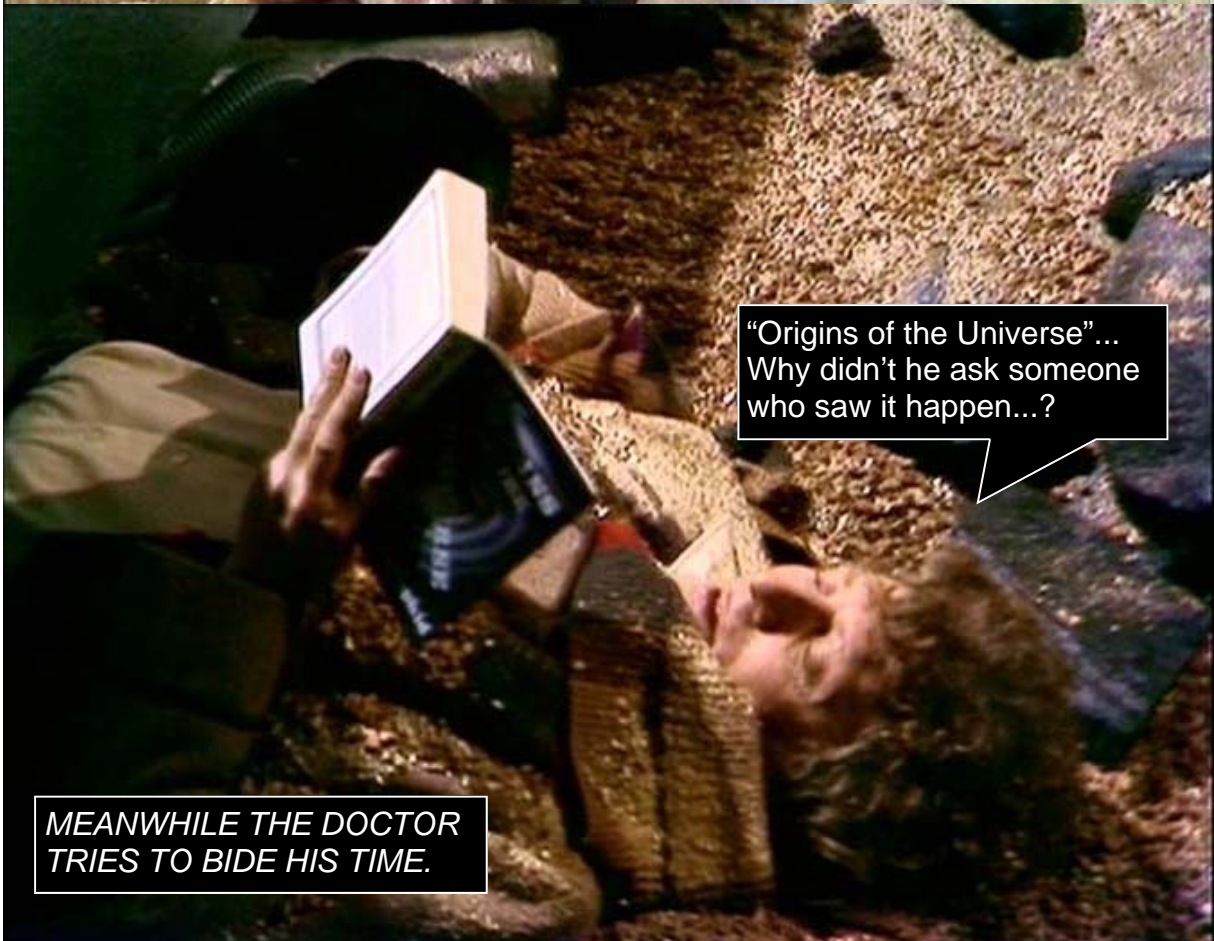

*BUT SOMEBODY FOLLOWS  
HER UNSEEN.*

*"Origins of the Universe"...  
Why didn't he ask someone  
who saw it happen...?"*

*MEANWHILE THE DOCTOR  
TRIES TO BIDE HIS TIME.*

UNFORTUNATELY, THE TARDIS IS  
BURIED UNDER SOME FALLEN  
ROCKS.

THE MYSTERIOUS CHAP GOES ON  
FOLLOWING ROMANA.

Romana should have her pills...  
But I have them...

*BUT NOW THERE'S ANOTHER PROBLEM.*

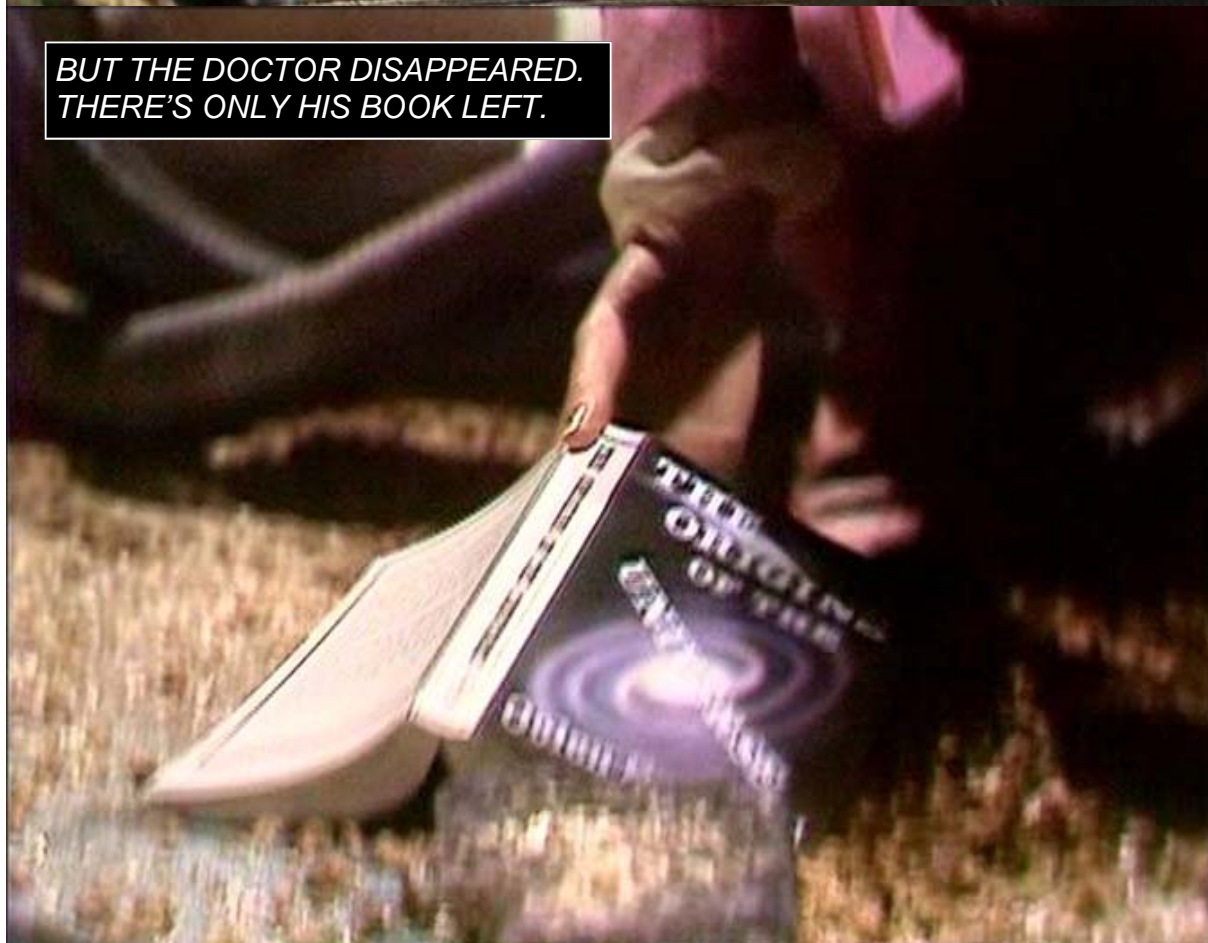

Doctor...

BUT THE DOCTOR DISAPPEARED.  
THERE'S ONLY HIS BOOK LEFT.

AND THEN THE MYSTERIOUS  
MAN APPEARS.

THE FIRST IDEA IS TO RUN...

WHILE ESCAPING, ROMANA FALLS  
INTO A HOLE...

EEEEKKK!!!

IT'S A HARD FALL AND ROMANA  
LOSES HER CONSCIOUSNESS.

THE MYSTERIOUS MAN GETS READY  
TO RESCUE HER.

MEANWHILE THE DOCTOR IS ABOARD THE  
ALIEN SHIP...

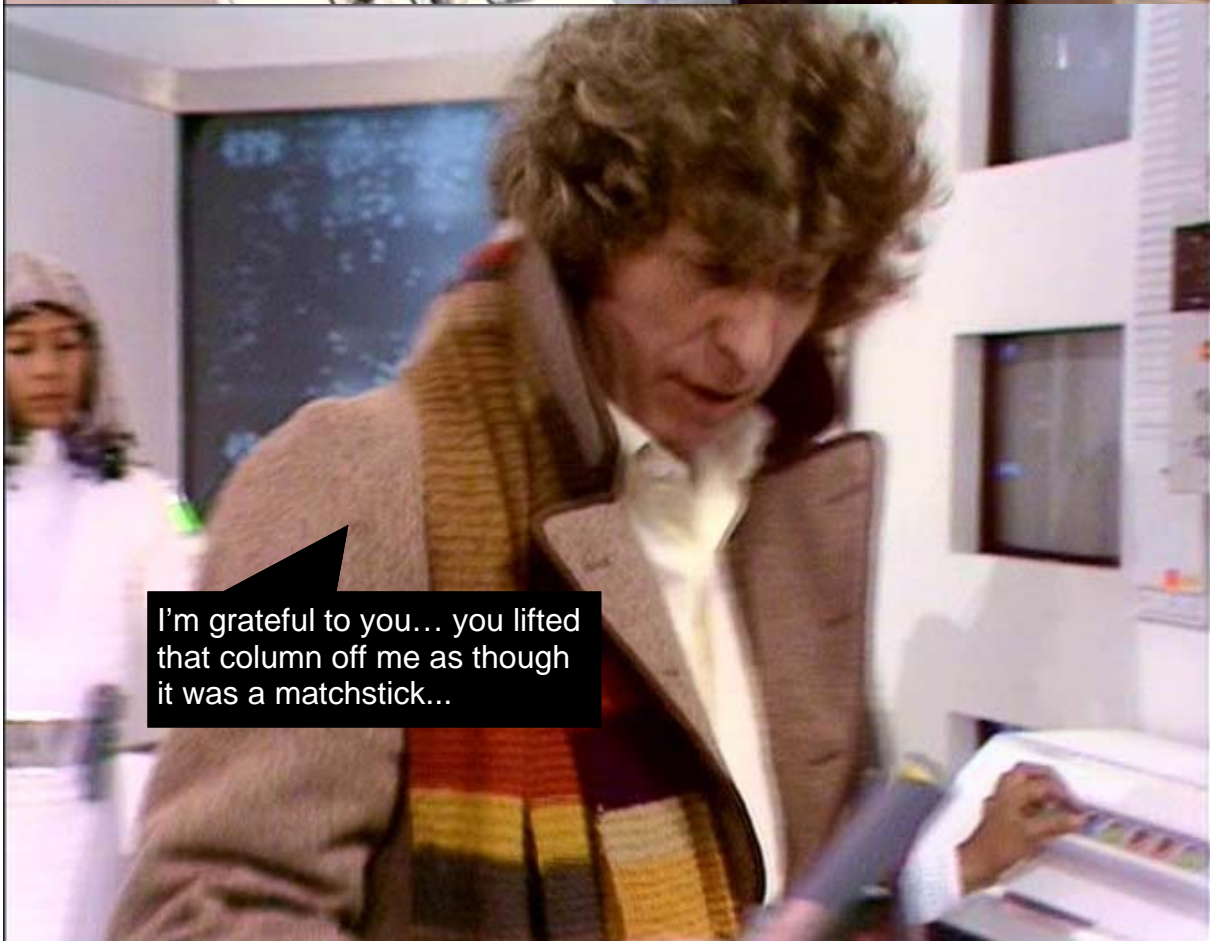

THE CREW DOESN'T TAKE NOTICE  
OF HIM.

I like charming  
people...

I'm grateful to you... you lifted  
that column off me as though  
it was a matchstick...

THE MAN PREPARES TO  
GET DOWN...

ROMANA IS STILL STUNNED... SHE  
ALSO SHOULD TAKE THE ANTI-  
RADIATION PILLS.

A WALL IS TREMBLING MORE  
AND MORE...

UNTIL SOMETHING BREAKS IT...

A RETURNING NIGHTMARE.
