ZELDA'S BASE, ON MARS...

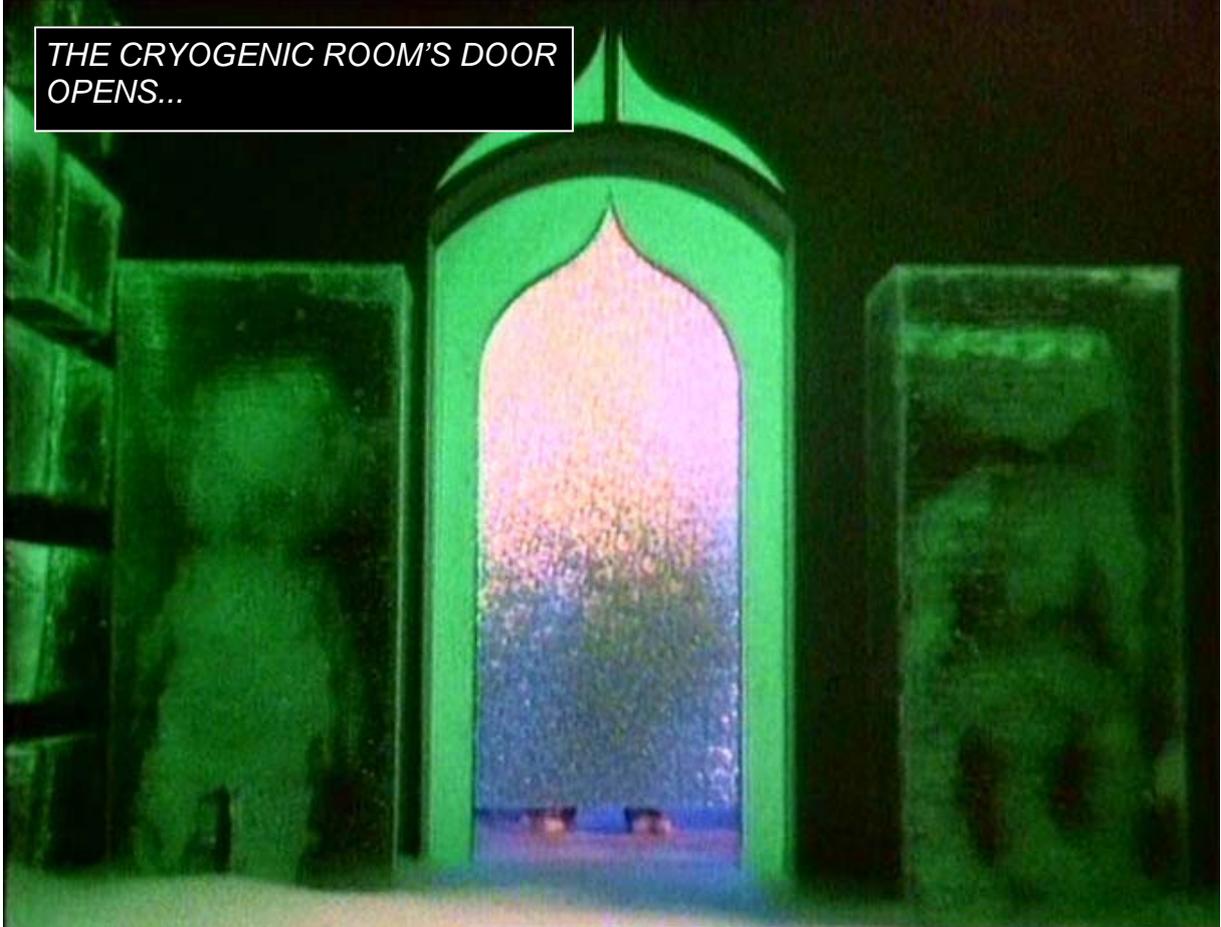

Mother, Sram wishes to see you before he departs...

Come forward,
Sram... Let me see
you clearly...

*THE CRYOGENIC ROOM'S DOOR
OPENS...*

... AND ONE OF PLANET GUK'S MONSTERS
COMES OUT.

Bring us victory,
Sram... smite the
Terrahawks!

SECRET LOCATION OF TERRAHAWKS' BASE, EARTH...

*PROF. NINESTEIN
DISCOVERS SOMEBODY
PLAYING VIDEOGAMES...*

Flaming thunderbolts...!

*THE MYSTERIOUS PLAYER IS
NEAR TO THE RECORD.*

*THE MYSTERIOUS PLAYER IS
SGT. ZERO.*

Get out of here!!!

Ehm... I was playing your videogame, sir!

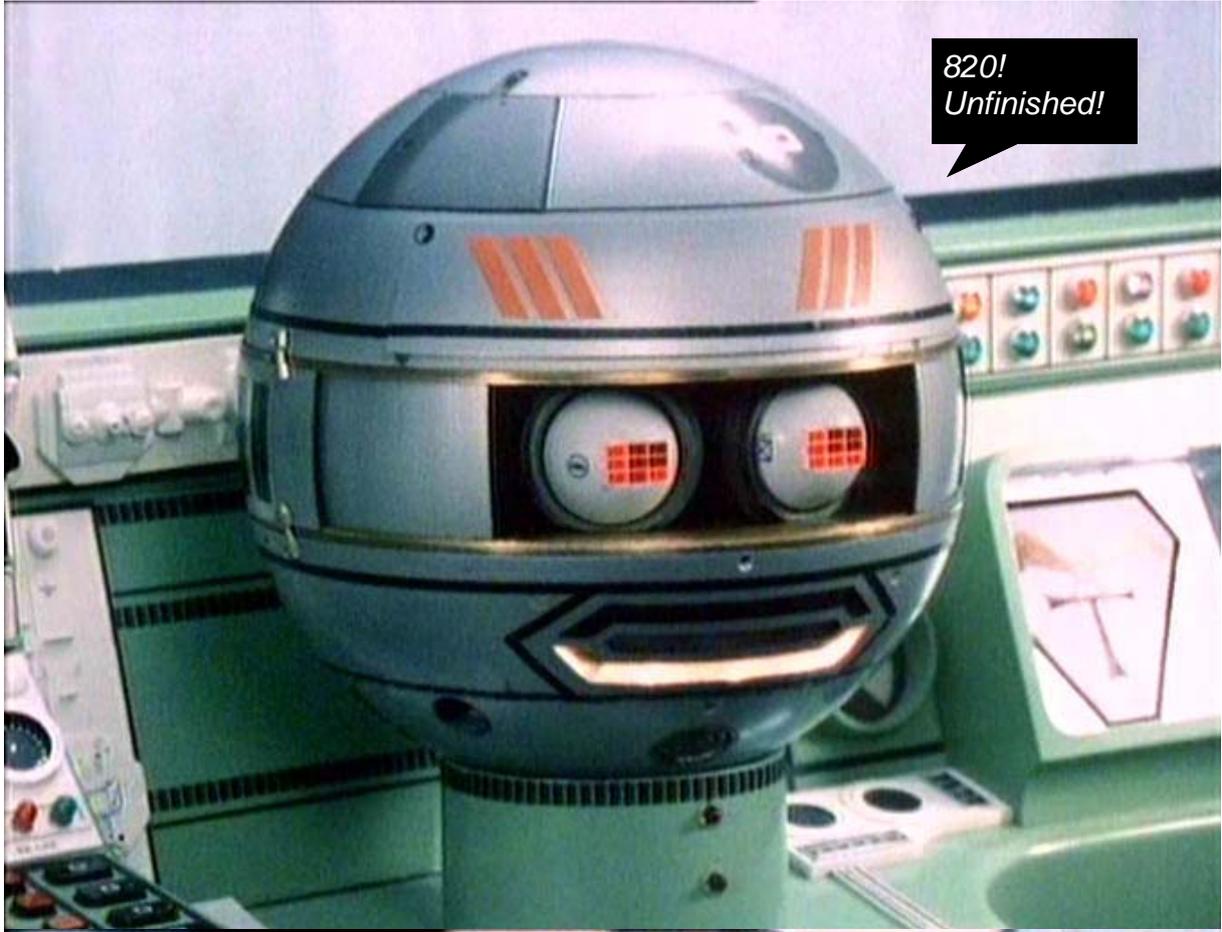

What's the matter...?

I come in here, and what do I find? Zero's playing my game!

That's not so terrible... what did you score, Sergeant Major ?

820!
Unfinished!

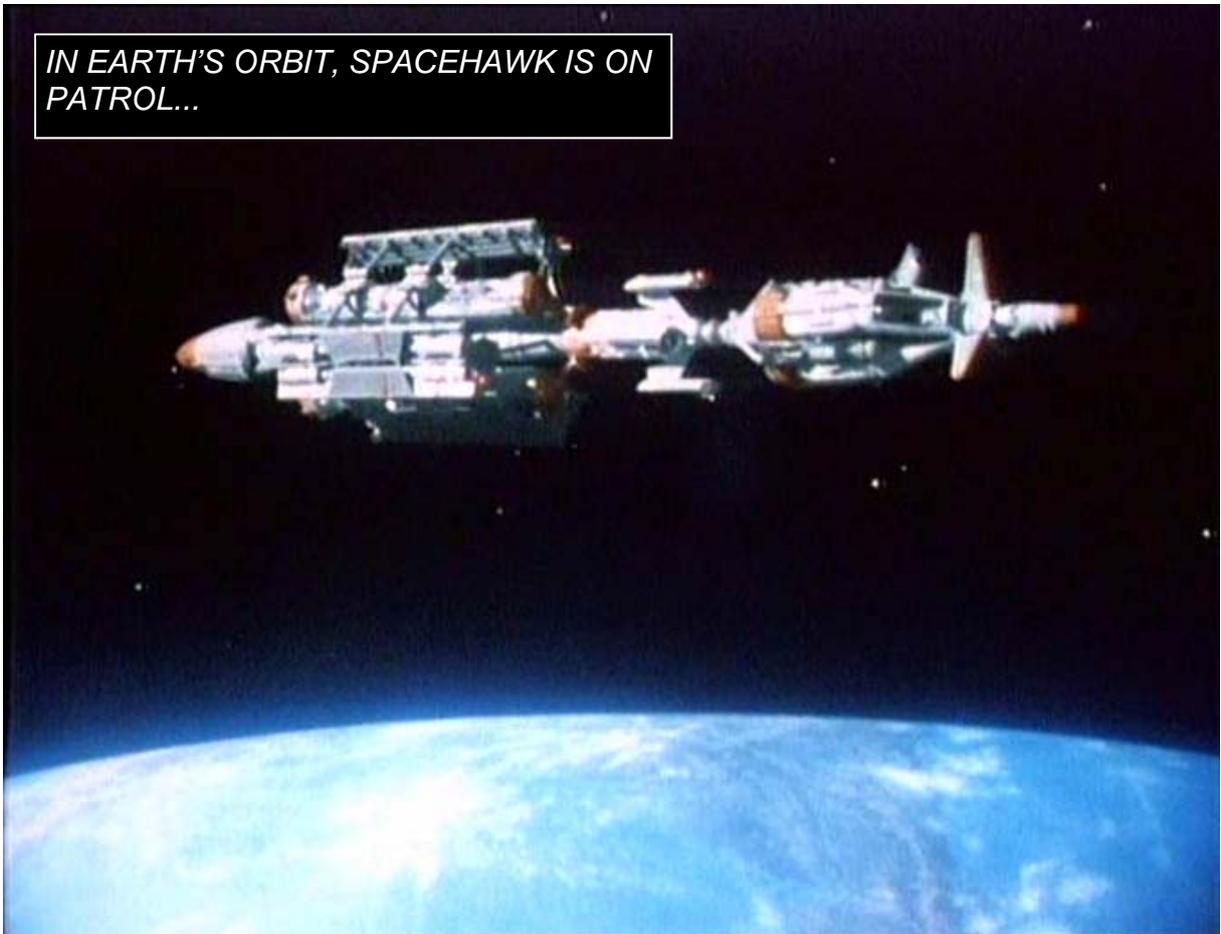

What?!? That's
higher than...!

*SRAM'S SHIP IS APPROACHING
EARTH...*

*IN EARTH'S ORBIT, SPACEHAWK IS ON
PATROL...*

Spacehawk to base. Alien space ship approaching. It's manned but unarmed.

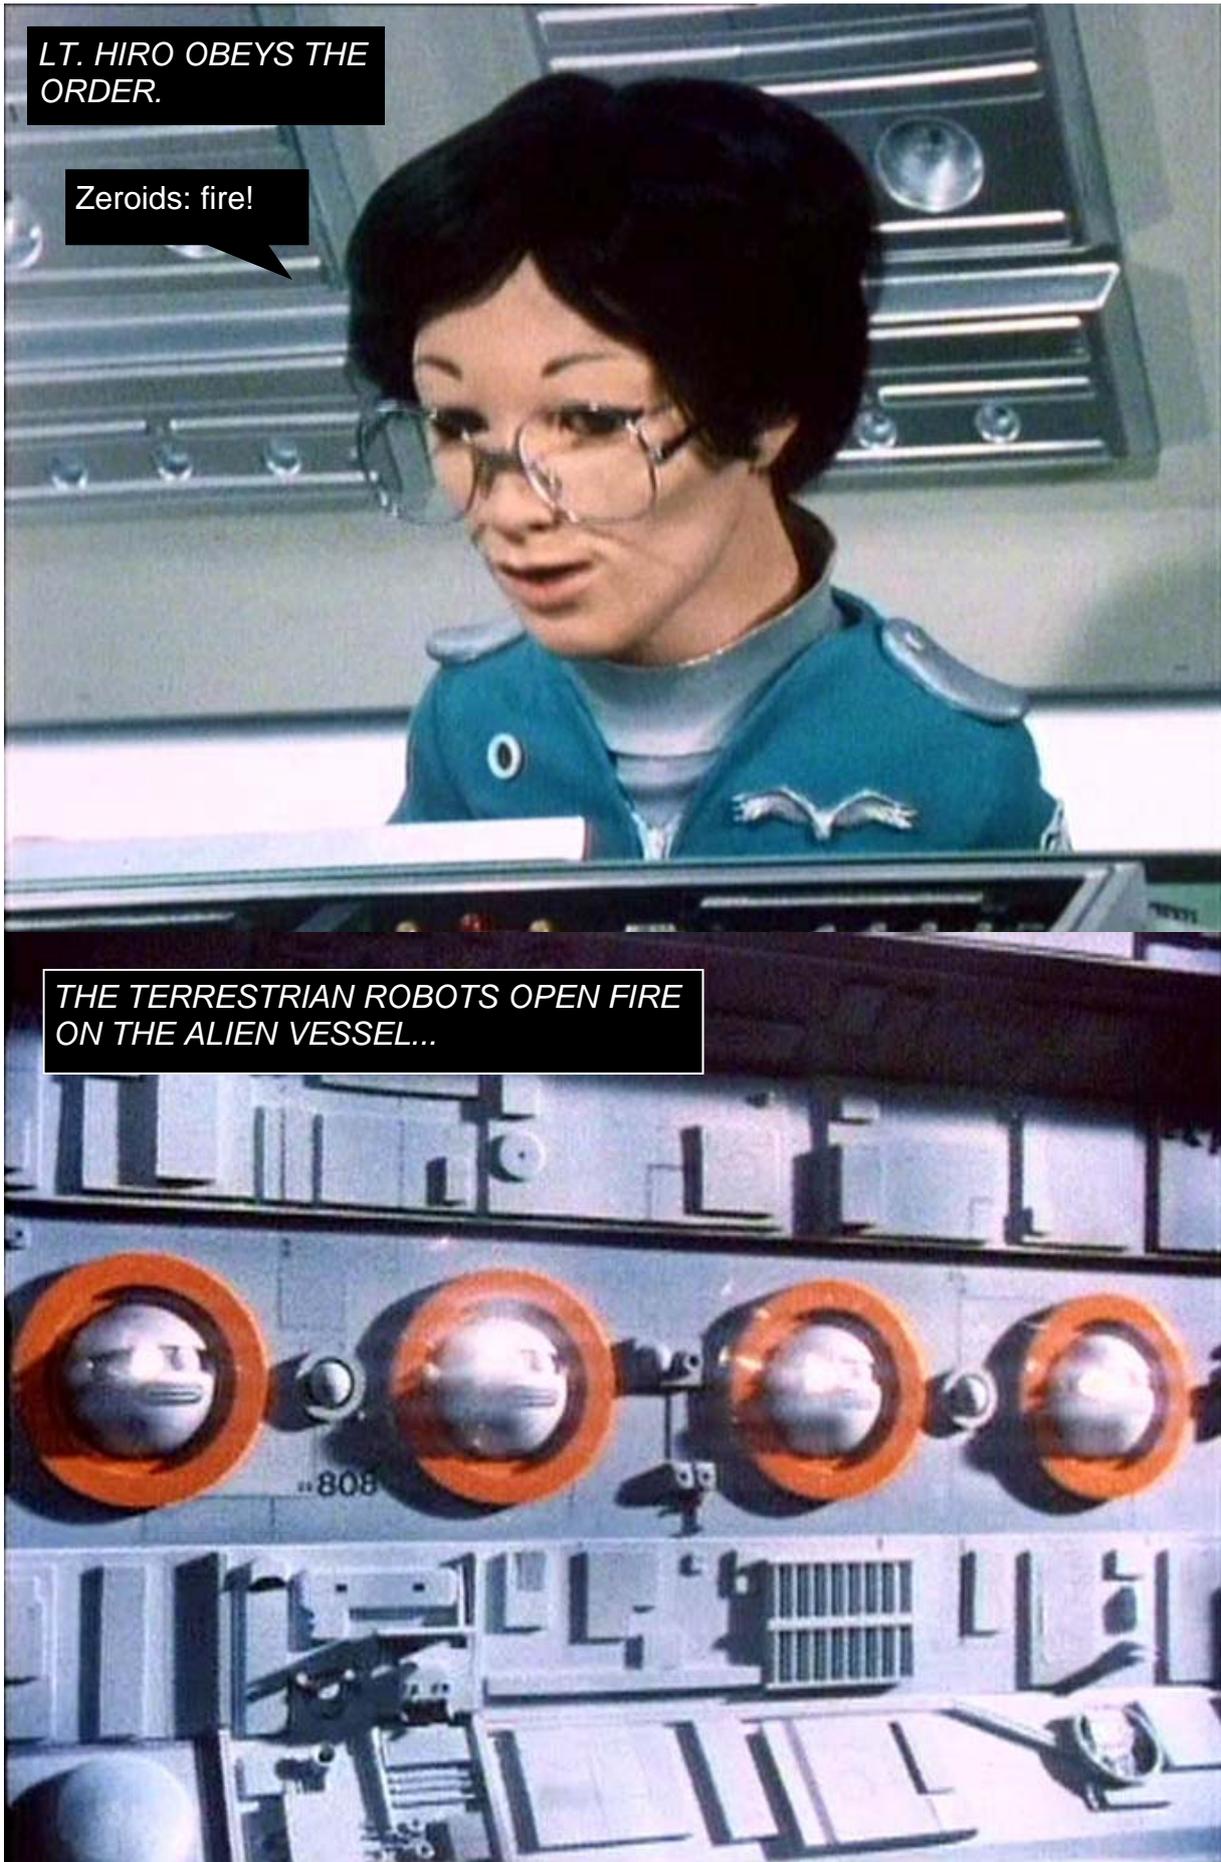

We can't take any chances. Knock it out!

LT. HIRO OBEYS THE ORDER.

Zeroids: fire!

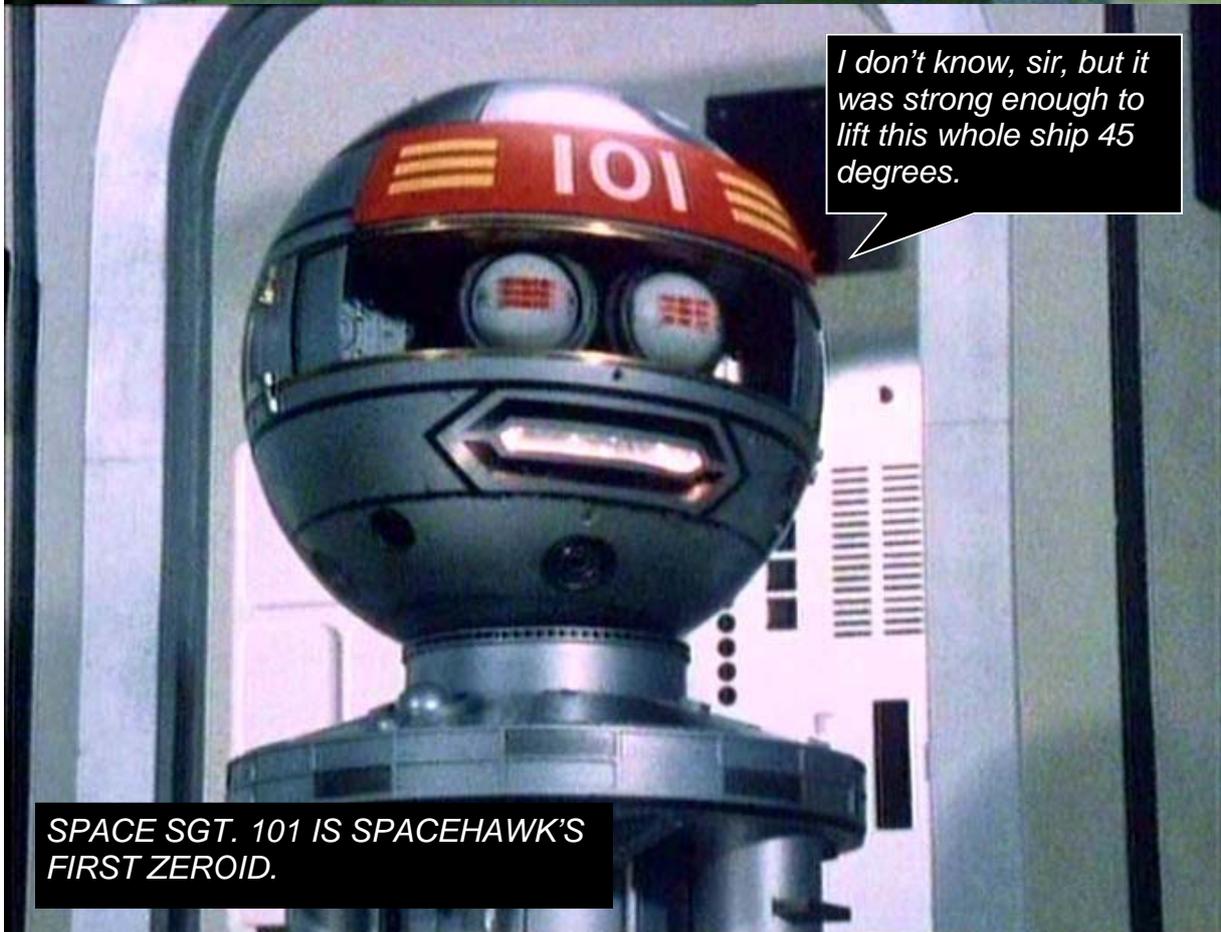

THE TERRESTRIAN ROBOTS OPEN FIRE ON THE ALIEN VESSEL...

Hey! What in space is this...?

BUT THE SPACEHAWK IS HIT BY A TERRIFIC SHOCKWAVE.

I don't know, sir, but it was strong enough to lift this whole ship 45 degrees.

SPACE SGT. 101 IS SPACEHAWK'S FIRST ZEROID.

THE ALIEN VESSEL GOES AHEAD.

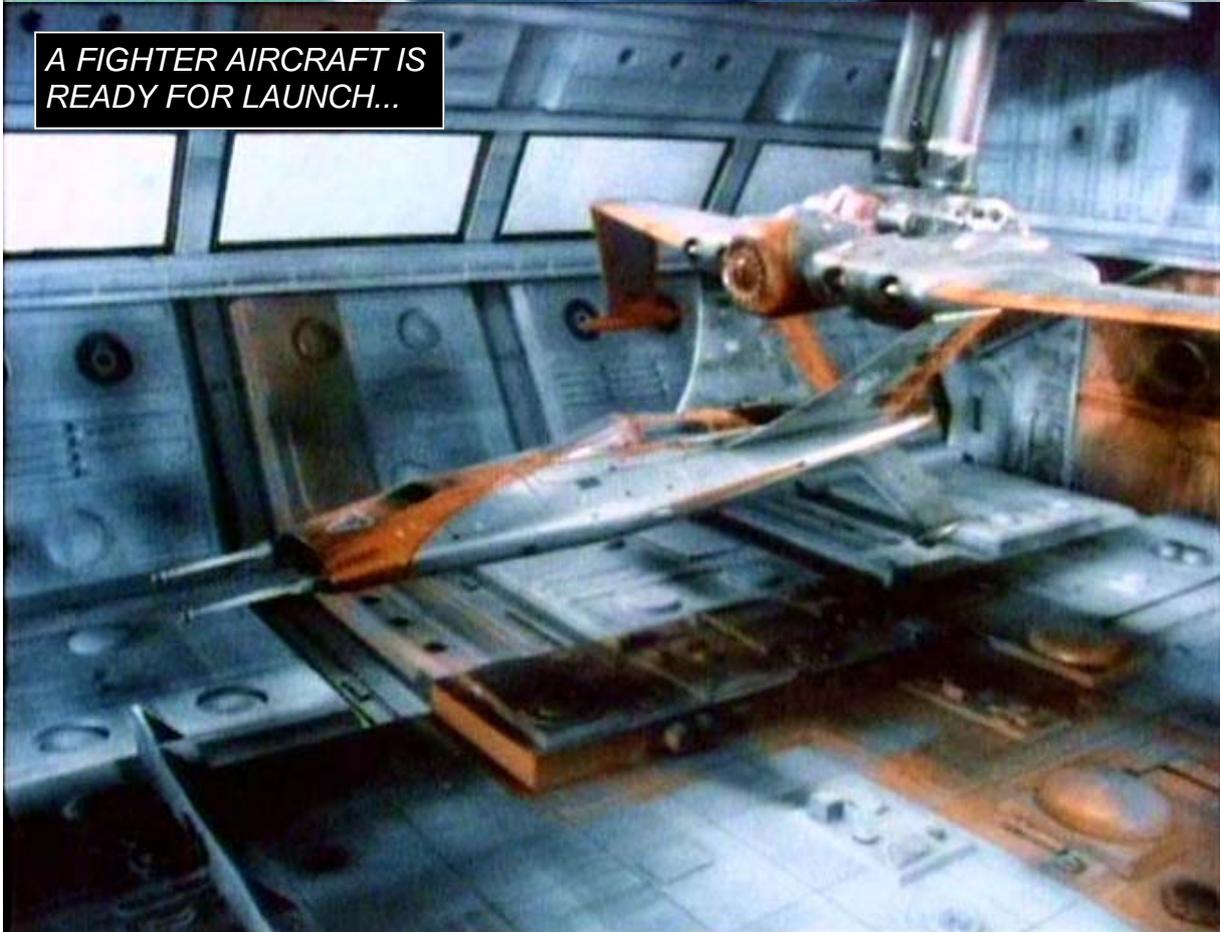

Spacehawk to base...
It's through! Will enter
Earth's atmosphere in
14 minutes!

Hawkwing, I'm calling a 10-30!
Immediate launch!

A FIGHTER AIRCRAFT IS
READY FOR LAUNCH...

CAPTAIN KATE KESTREL IS THE COMMANDER PILOT...

Ready for sky,
Hawkeye?

...LT HAWKEYE IS THE CO-PILOT.

Aye aye.

THE AIRCRAFT BURSTS OUT OF SEA...

...AND LOCKS ON THE TARGET.

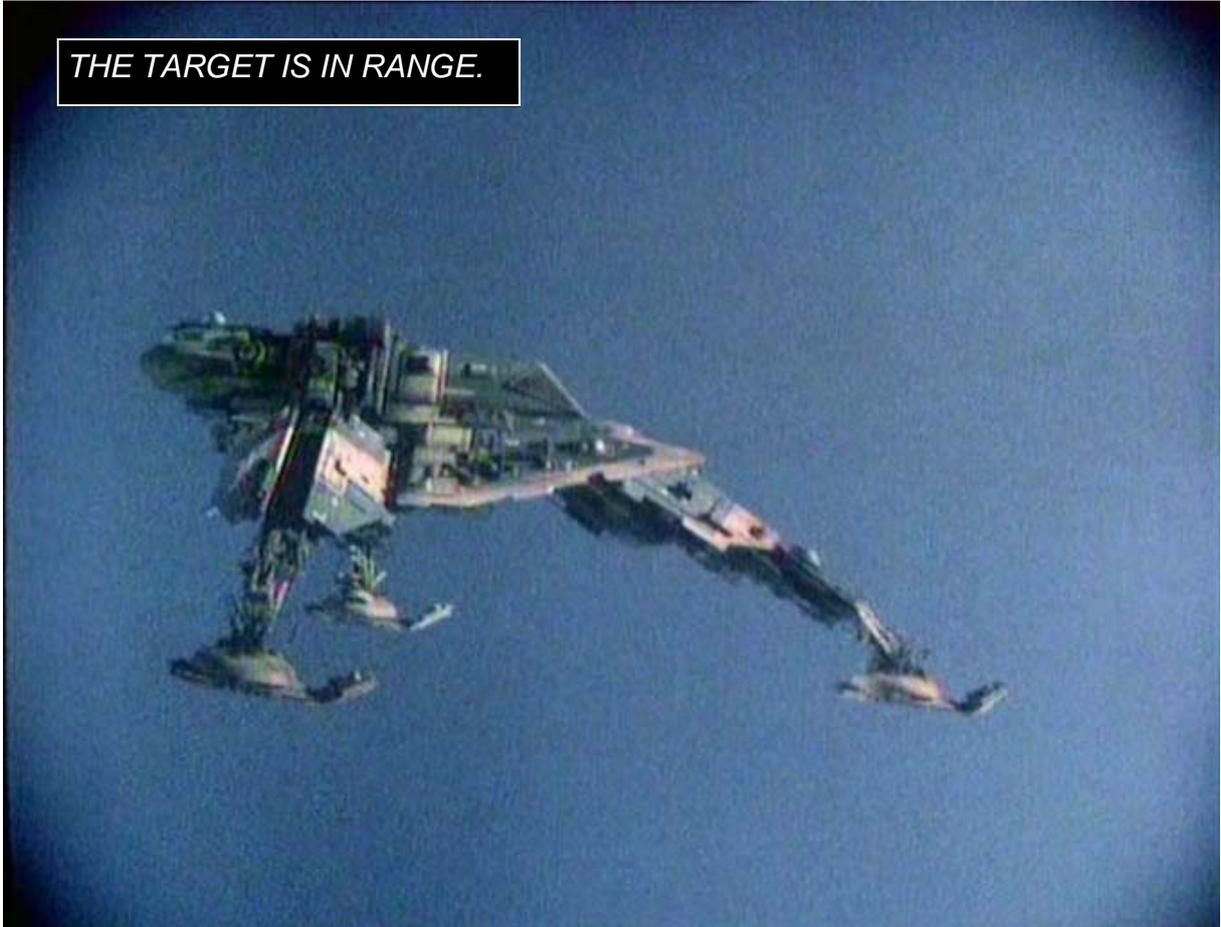

Will relay co-ordinates to your computer. Go get it, Kate!

Have visual contact. Sensors confirm it's unarmed.

THE TARGET IS IN RANGE.

THE HAWKWING TAKES A DIVE...

It's a sitting duck...

HAWKEYE IS READY FOR FIRE.

**ROAAAARRRRR
RRRRRRRRR!!!!!!
!!!!!!**

BUT THE MONSTER MAKES AN INCREDIBLY POWERFUL ROAR.

*HIT BY A TERRIFIC SHOCKWAVE, THE
HAWKWING FALLS DOWN!*

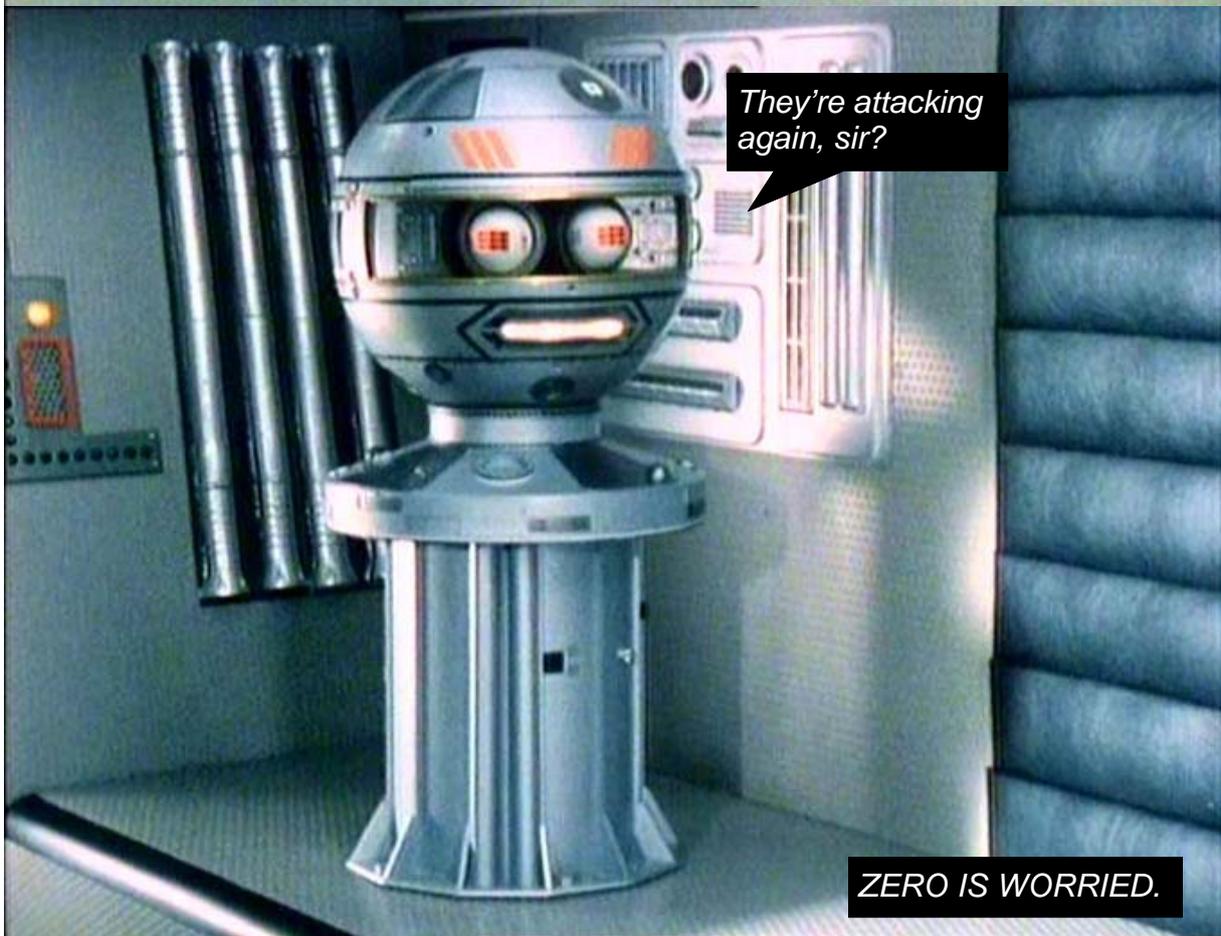

*LUCKILY, KATE SUCCEEDS IN
HOLDING IT AND HAVING IT
FLYING AGAIN.*

Some "sitting duck"...!
We're going in again!

*They're attacking
again, sir?*

ZERO IS WORRIED.

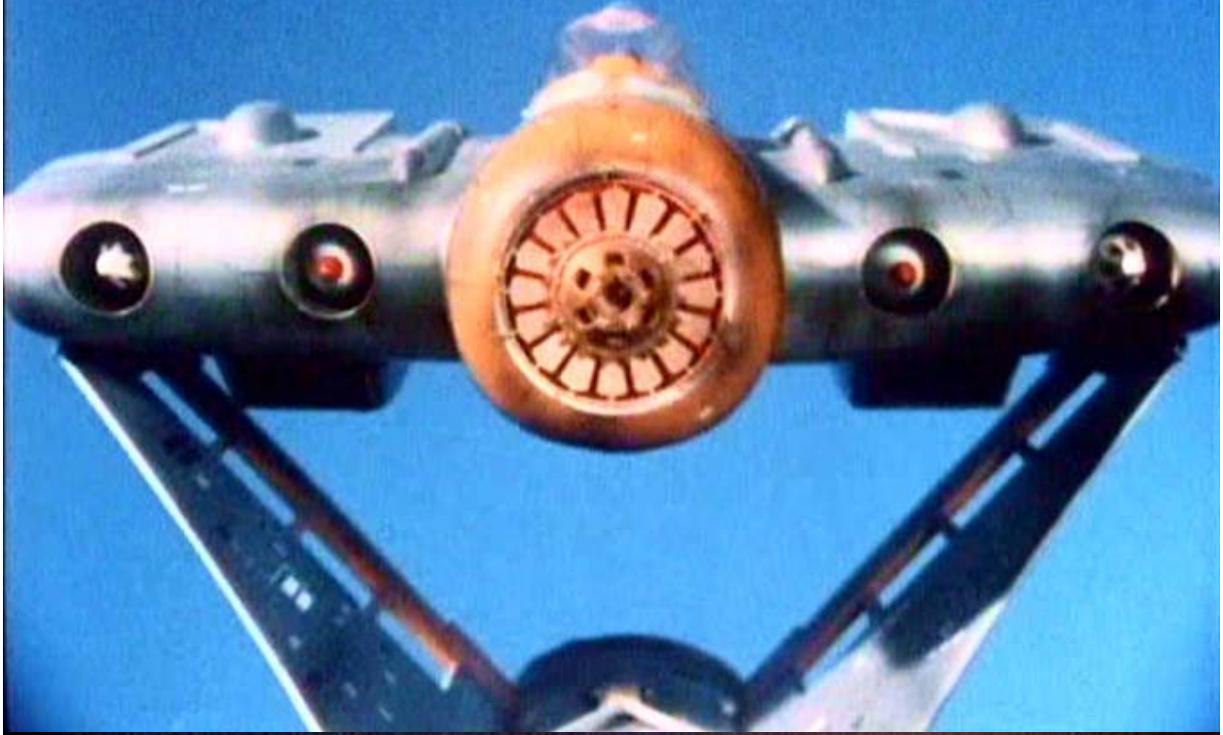

Yes, Zero. Humans call it "courage"...

Fire as soon as we are in range, Hawkeye!

THE ATTACK HAS BEGUN.

*THIS TIME THE HAWKWING OPENS
FIRE IN TIME...*

THE TARGET IS HIT!

It's out of control!

I want the crash location pinpointed

THE ALIEN CRAFT HITS THE GROUND.

Have located
crash position...
I'm moving in!

A LITTLE LATER, THE
BATTLEHAWK IS AIRBORN.

ETA 17 minutes.

Set course!

Whoever was aboard
was certainly killed in
the crash!

Expect the unexpected...
we'll drop the battletank!

*THE BATTLEHAWK GETS AS CLOSE
AS POSSIBLE...*

*...AND DROPS A CATERPILLAR
VEHICLE DRIVEN BY TWO
MEGAZIDS.*

THE VEHICLE HEADS TO THE ALIEN SHIP.

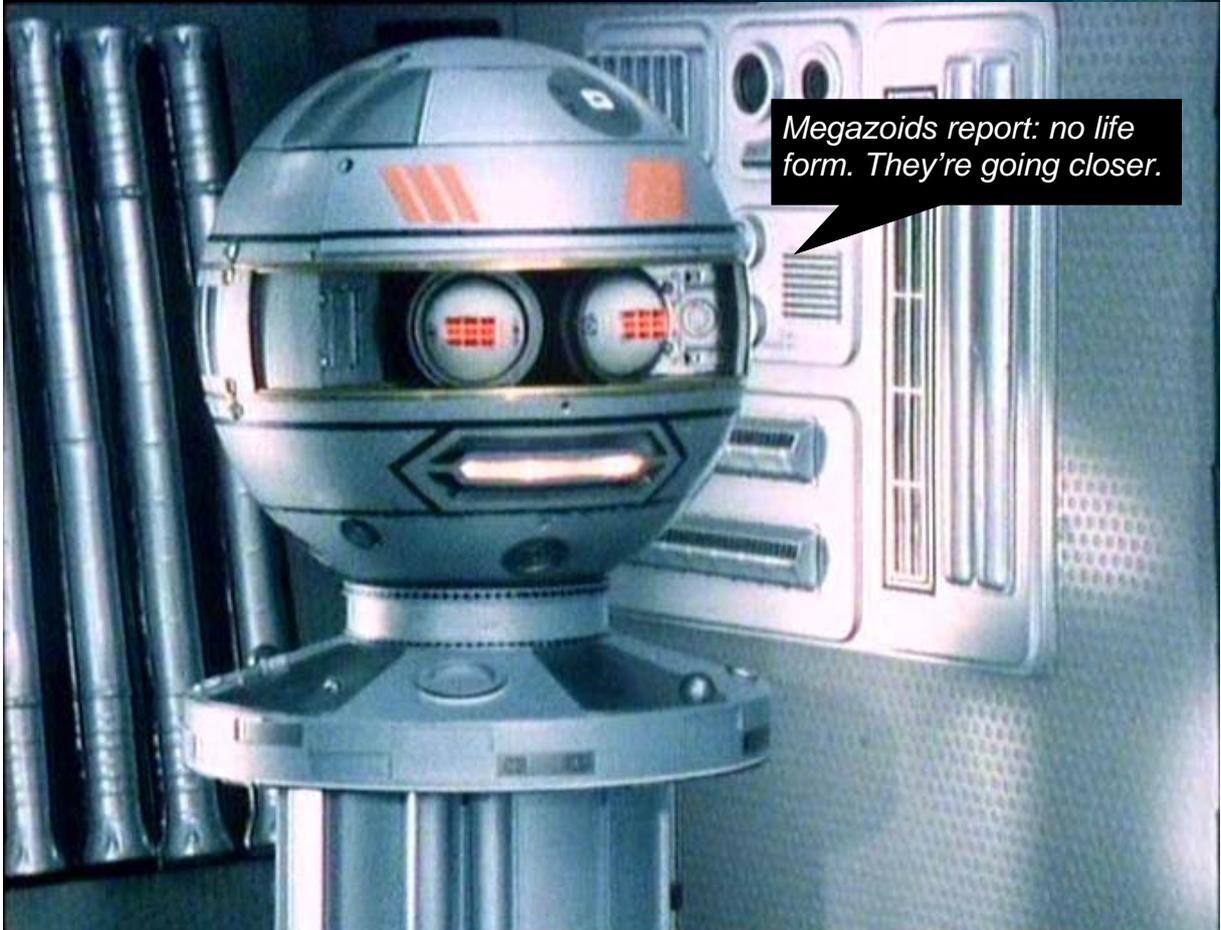

THERE'S ONLY A WRECKAGE.

*THE MEGAZOIDS EXAMINATE
CAREFULLY.*

*Megazoids report: no life
form. They're going closer.*

*THE BATTLEHAWK LANDS
AT SAFE DISTANCE...*

*...AND THE TERRAHAWK
TAKES OFF AT ONCE.*

*...TO LAND NEAR THE SHIP'S
WRECKAGE.*

NINESTEIN GETS OUT TO HAVE A LOOK AT IT.

HE FINDS A GREEN SUBSTANCE... THE ALIEN'S BLOOD?

THERE ARE ALSO SOME TRACKS...

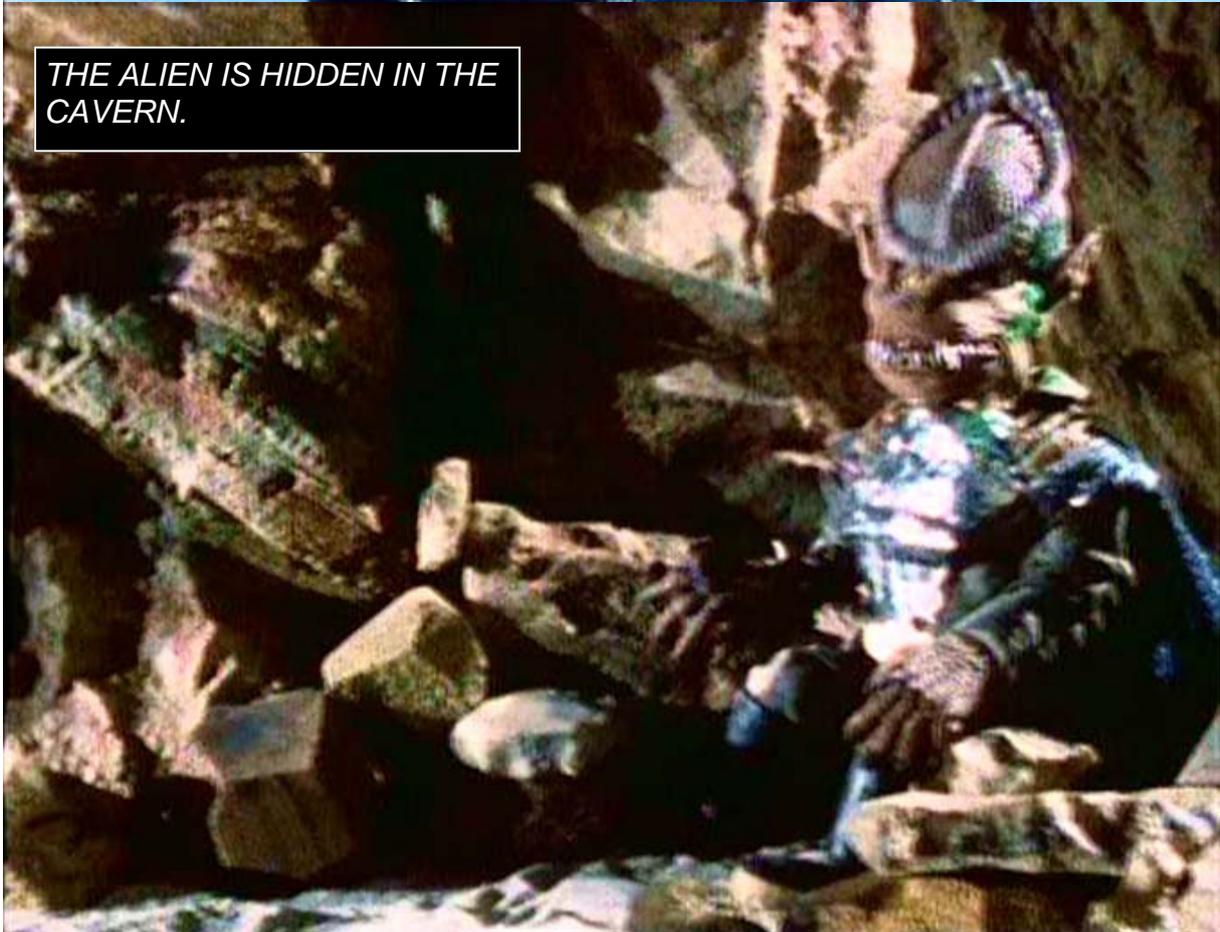

WHICH LEAD TO A CAVERN.

Mary, check out that rock pile to the west. I'm returning to Terrahawk.

THE ALIEN IS HIDDEN IN THE CAVERN.

*THE VEHICLE GETS CLOSE TO
EXAMINATE THE CAVERN...*

*...BUT THE ALIEN IS WAITING
FOR IT.*

*AND MAKES AGAIN HIS TERRIBLE
ROAR.*

**ROAAAARRRR
RRRRRRRRR!!!!!!
!!!!!!**

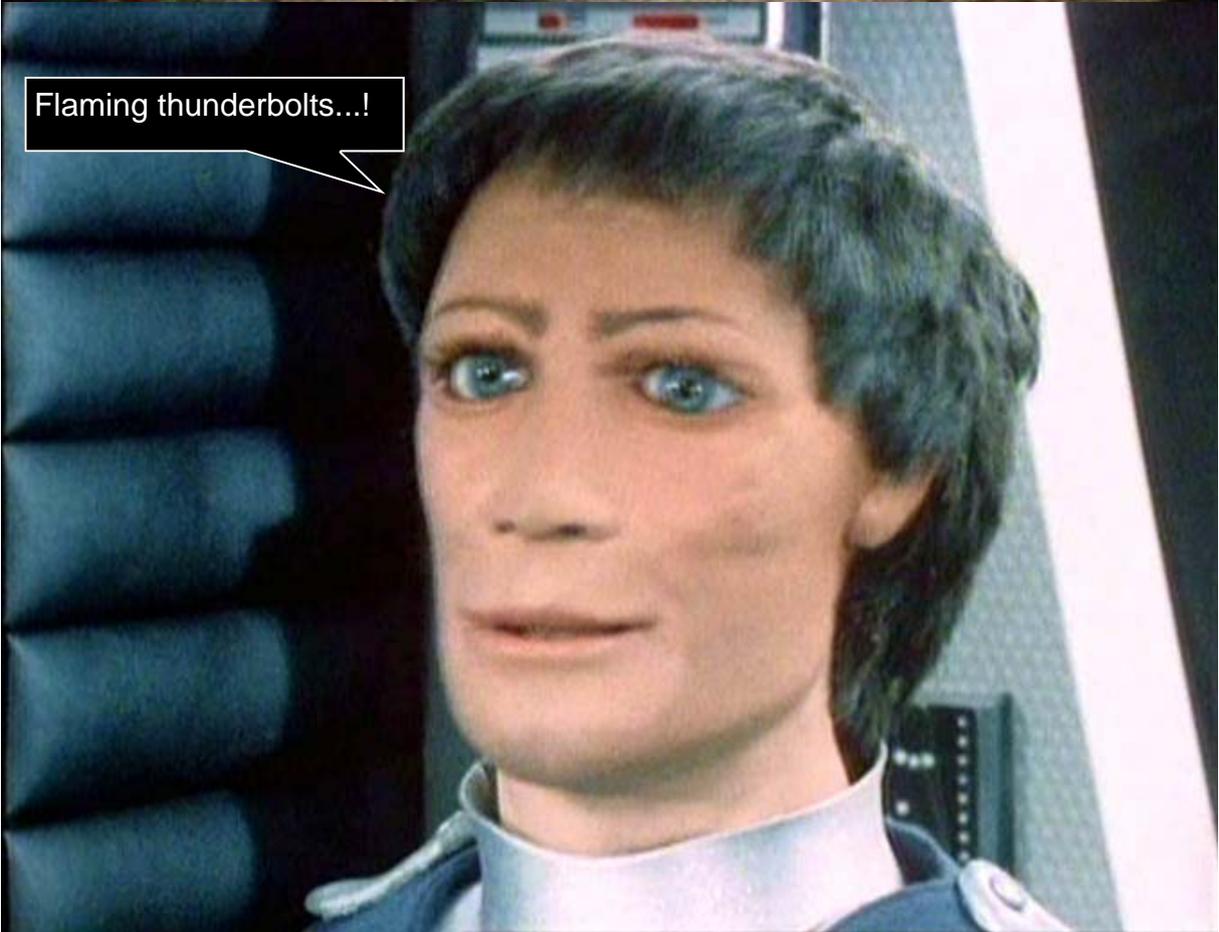

*A REAL STORM SEEMS TO COME OUT OF
THE CAVERN!!!*

HIT BY THAT TERRIBLE STORM, THE
VEHICLE CAN'T GO AHEAD.

Flaming thunderbolts...!

I am Sram, Lord of Felony. I want you, Ninestein.

*Come to the cave,
and come alone!*

Negative!

**ROAAAARRRR
RRRRRRRR!!!!!!
!!!!!!**

*SRAM'S ROAR HITS A HIGH
ROCK.*

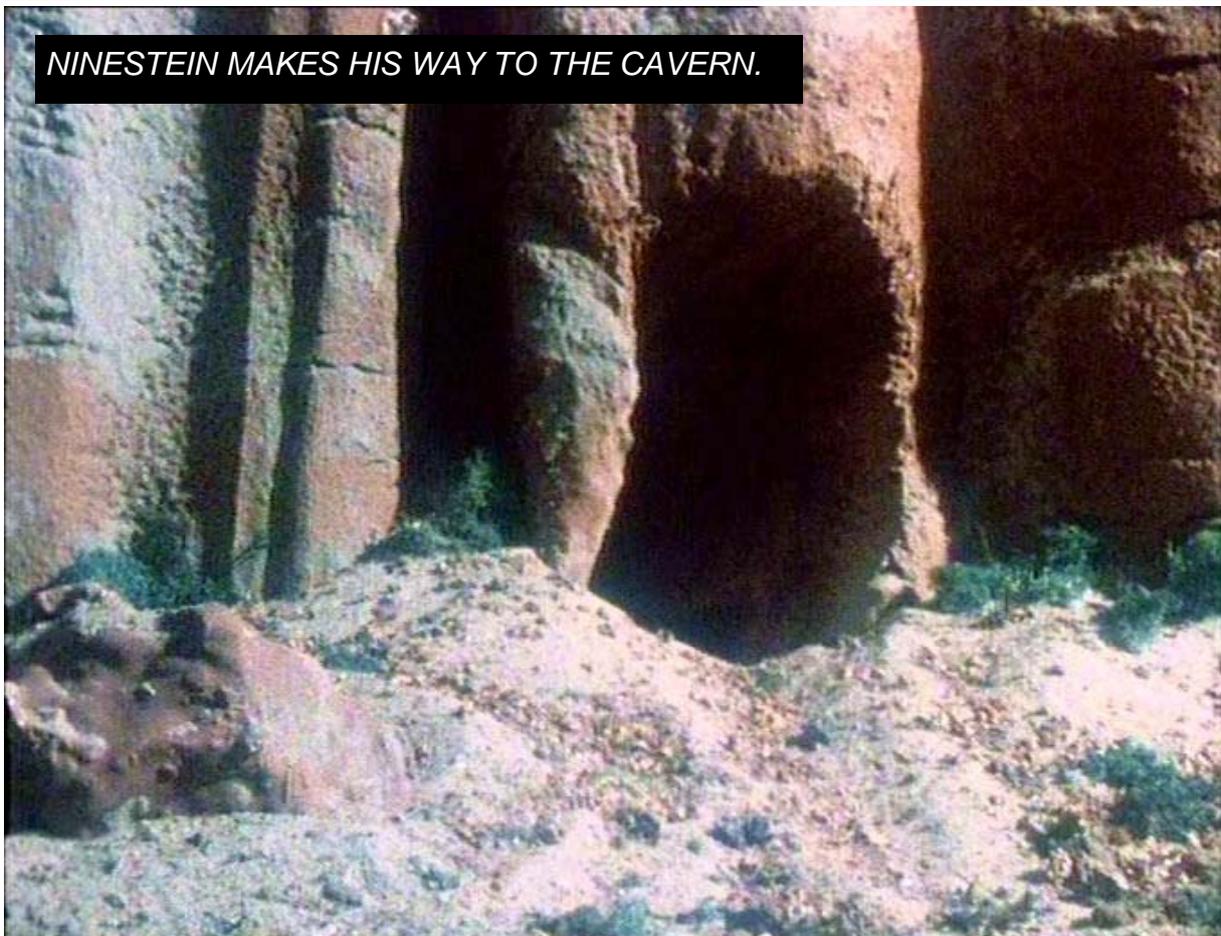

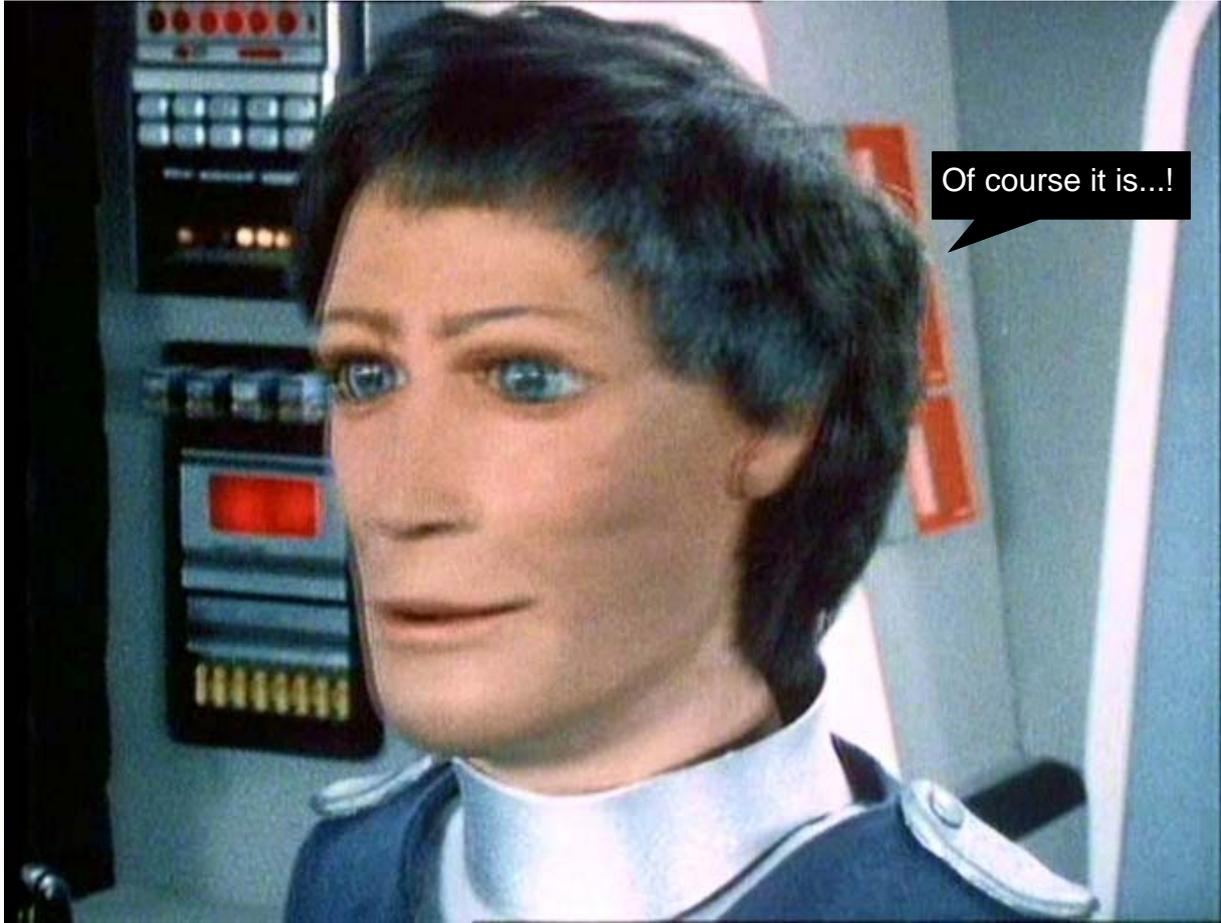

*WHEN THE DUST FALLS DOWN,
THE ROCK IS IN PIECES.*

If I hadn't seen it
with my own eyes...

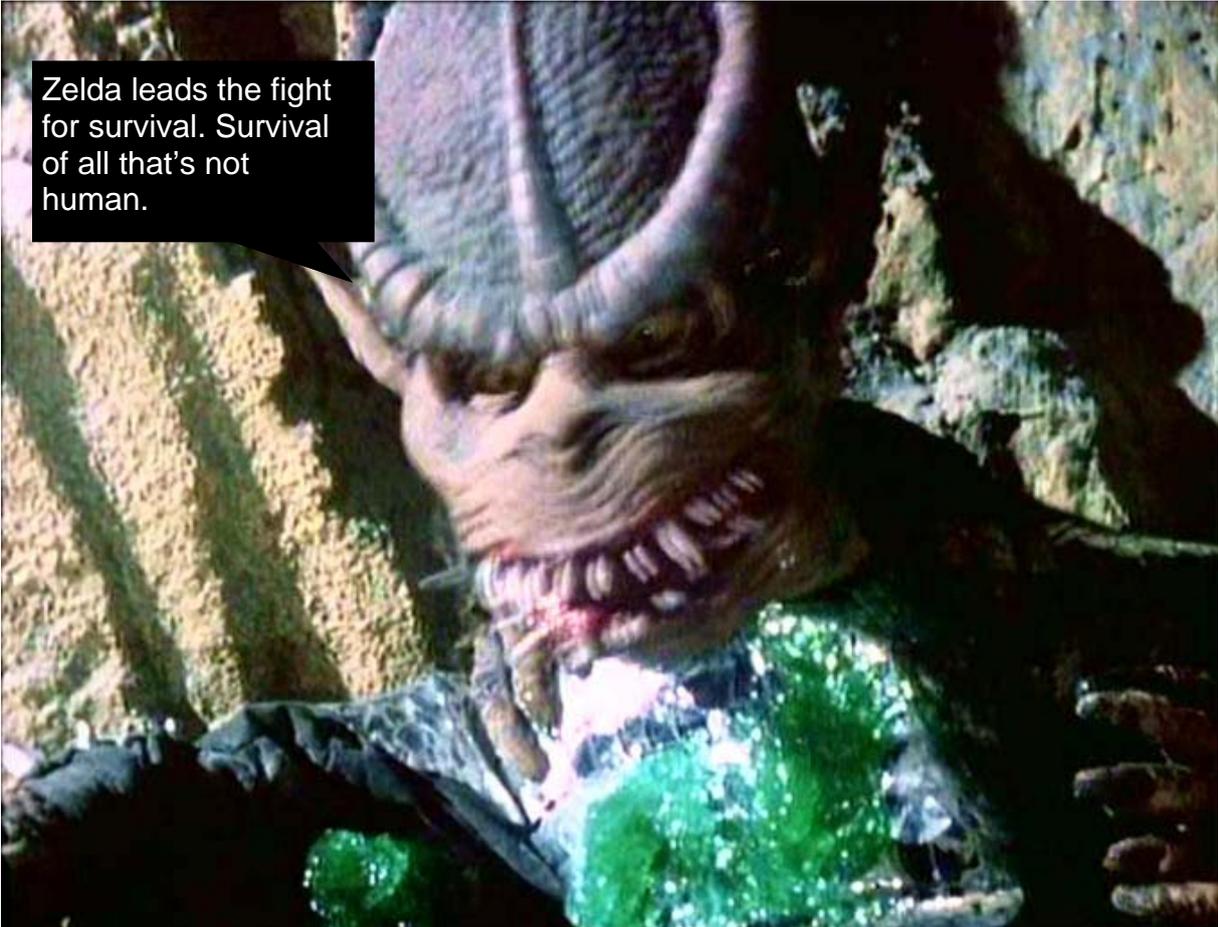

NINESTEIN MAKES HIS WAY TO THE CAVERN.

Zelda leads the fight for survival. Survival of all that's not human.

Let me look at your wounds...

No! I'm dying... But you will die with me, Ninestein!

**ROAAAARRRR
RRRRRRRRR!!!!!!
!!!!!!**

THE CAVERN'S WALLS FALL DOWN...

THE EFFORT WAS FATAL FOR SRAM.

THE CAVERN ENTRANCE IS COMPLETELY BURIED.

Tiger... Are you alright?

Yeah... just about.
Sram is dead, but the
entrance is blocked

Don't worry, we'll
get you out!

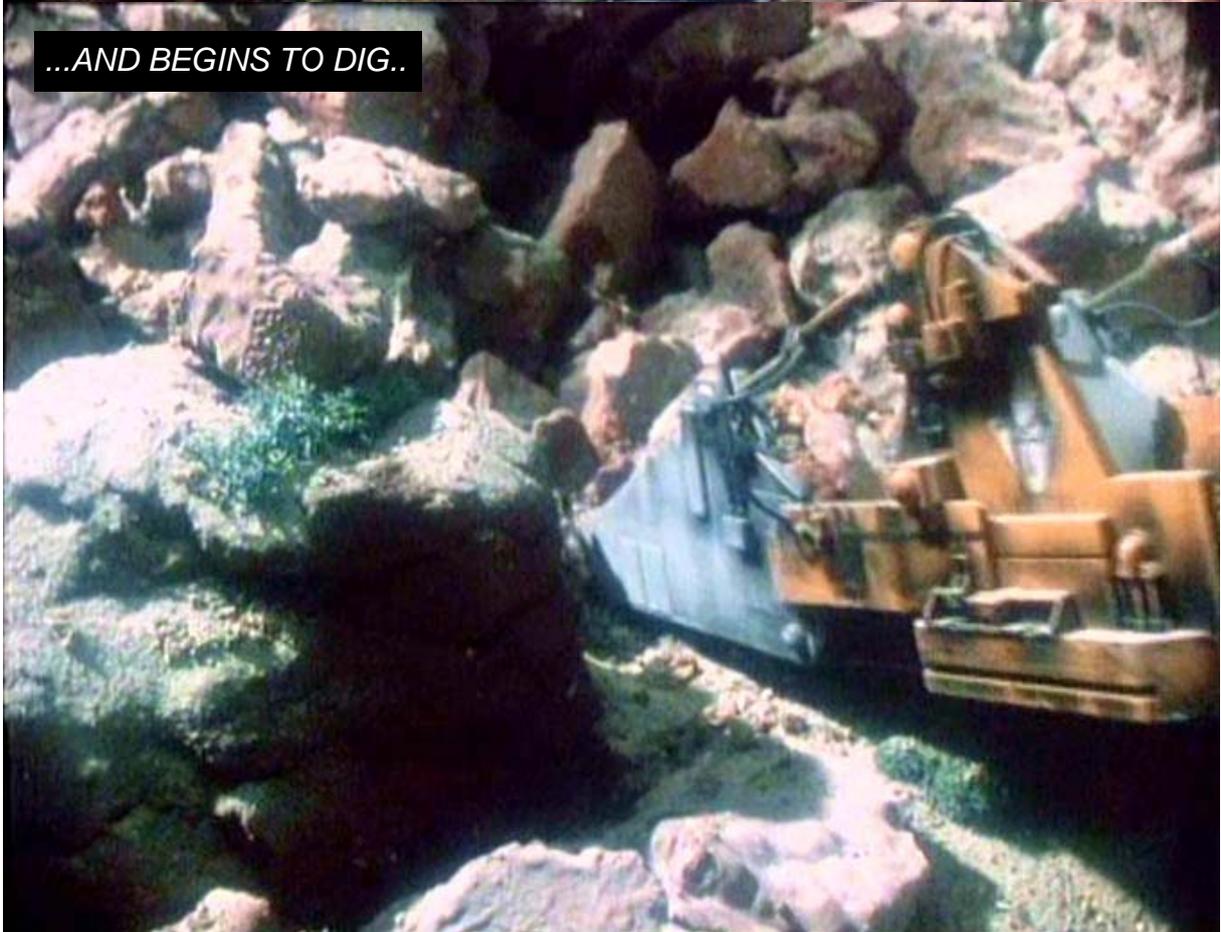

THE BATTLEHAWK GETS CLOSER...

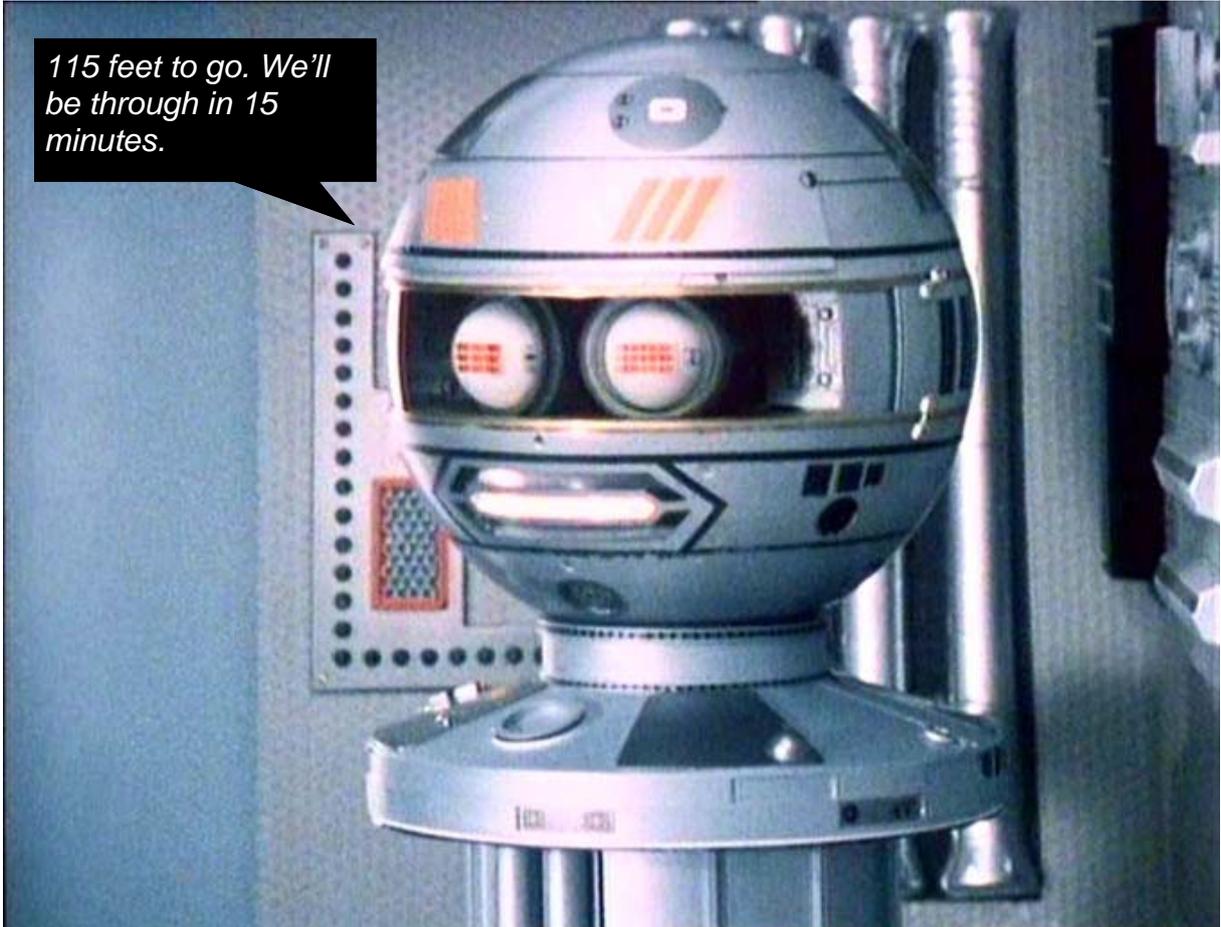

A PADDLE GETS OUT OF THE NOSE...

...AND BEGINS TO DIG..

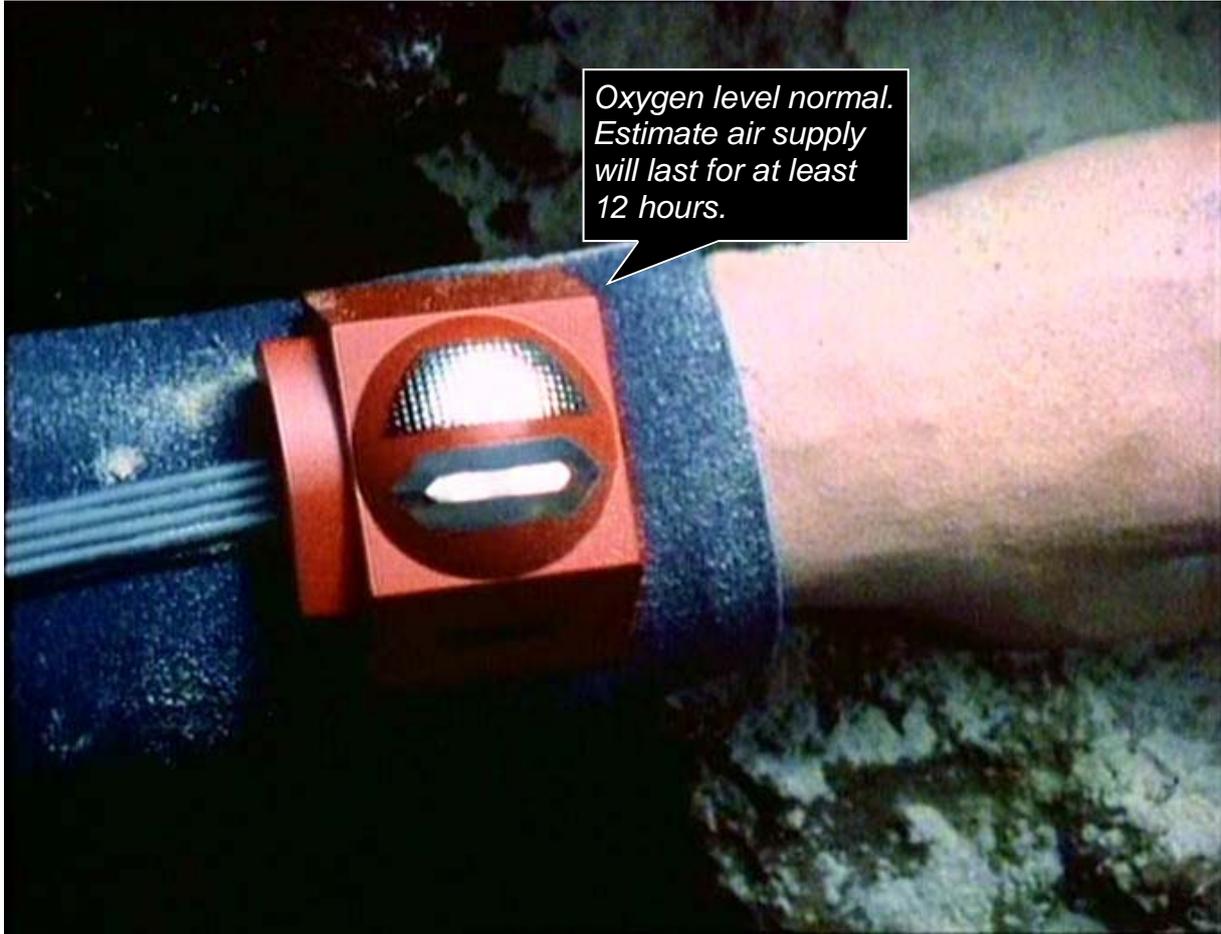

115 feet to go. We'll
be through in 15
minutes.

I can't seem to
get my breath...

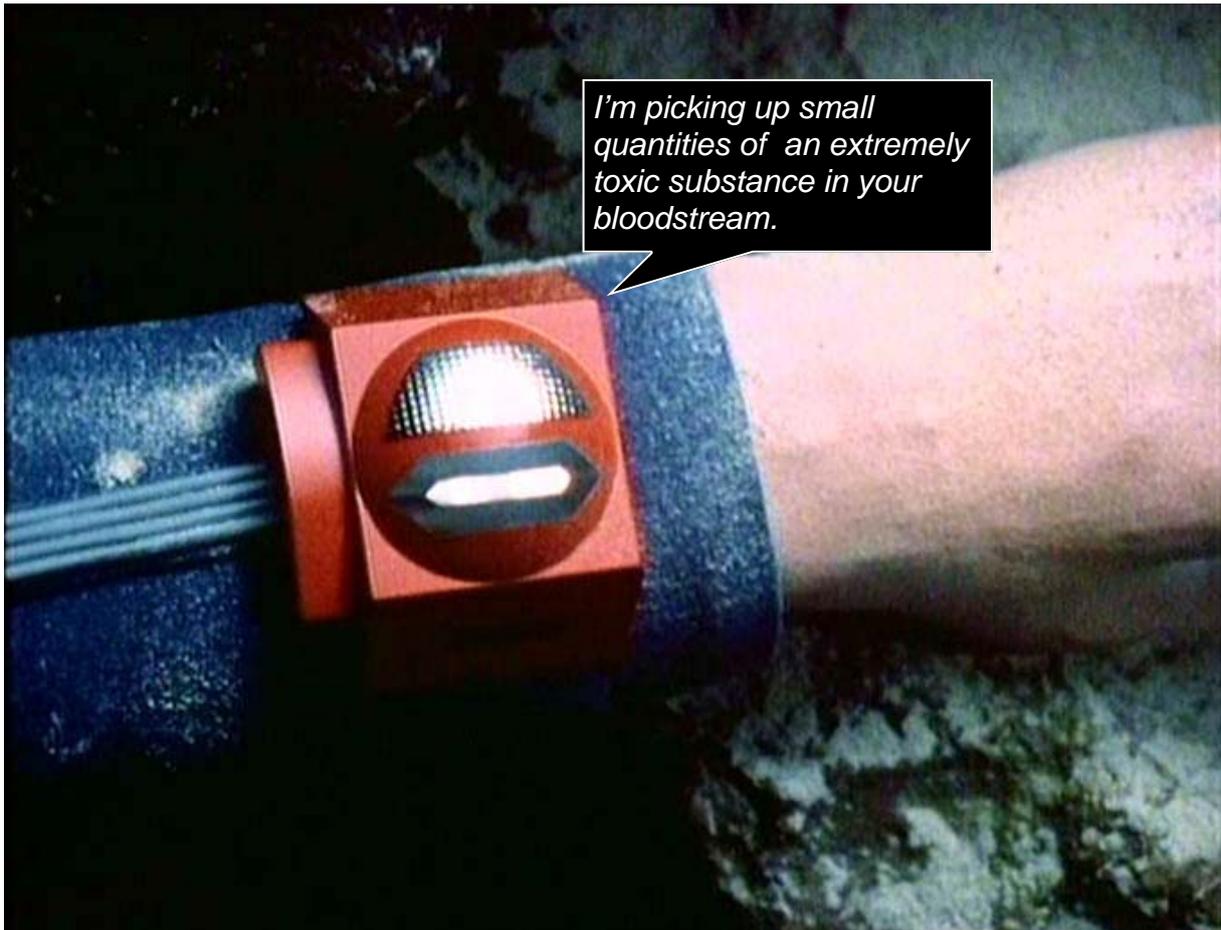

Oxygen level normal.
Estimate air supply
will last for at least
12 hours.

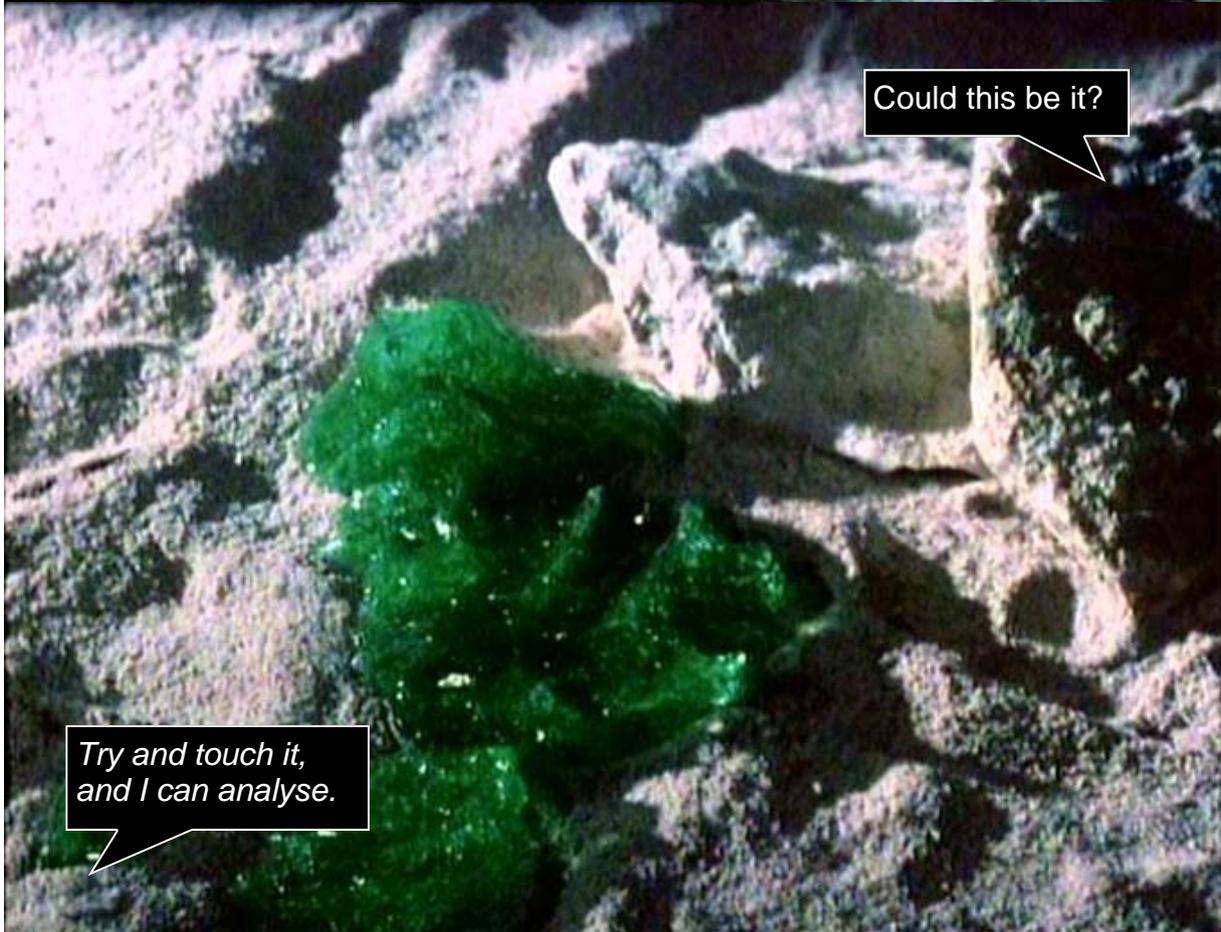

I still don't feel
so good...

Stay as still as
possible!

I'm picking up small quantities of an extremely toxic substance in your bloodstream.

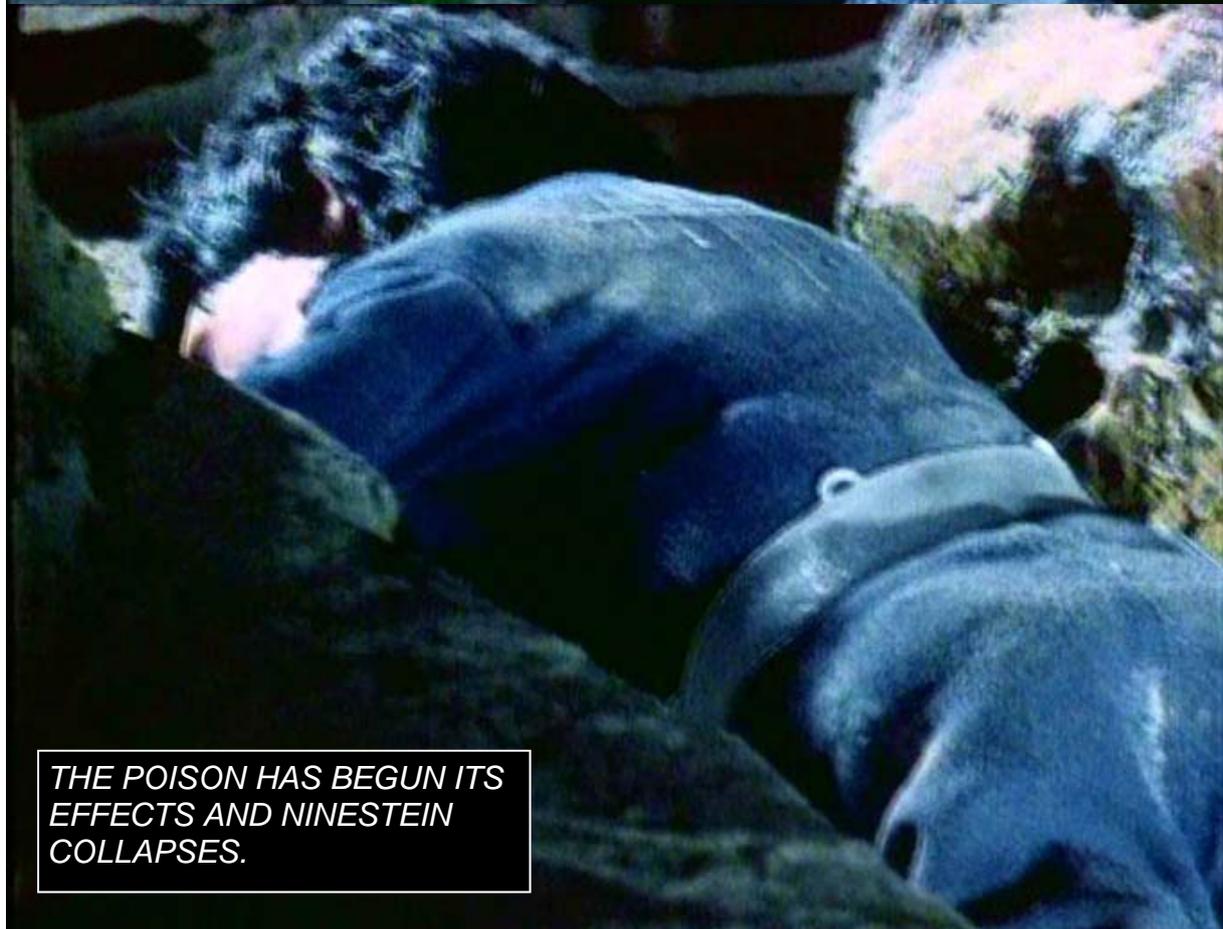

Could this be it?

Try and touch it, and I can analyse.

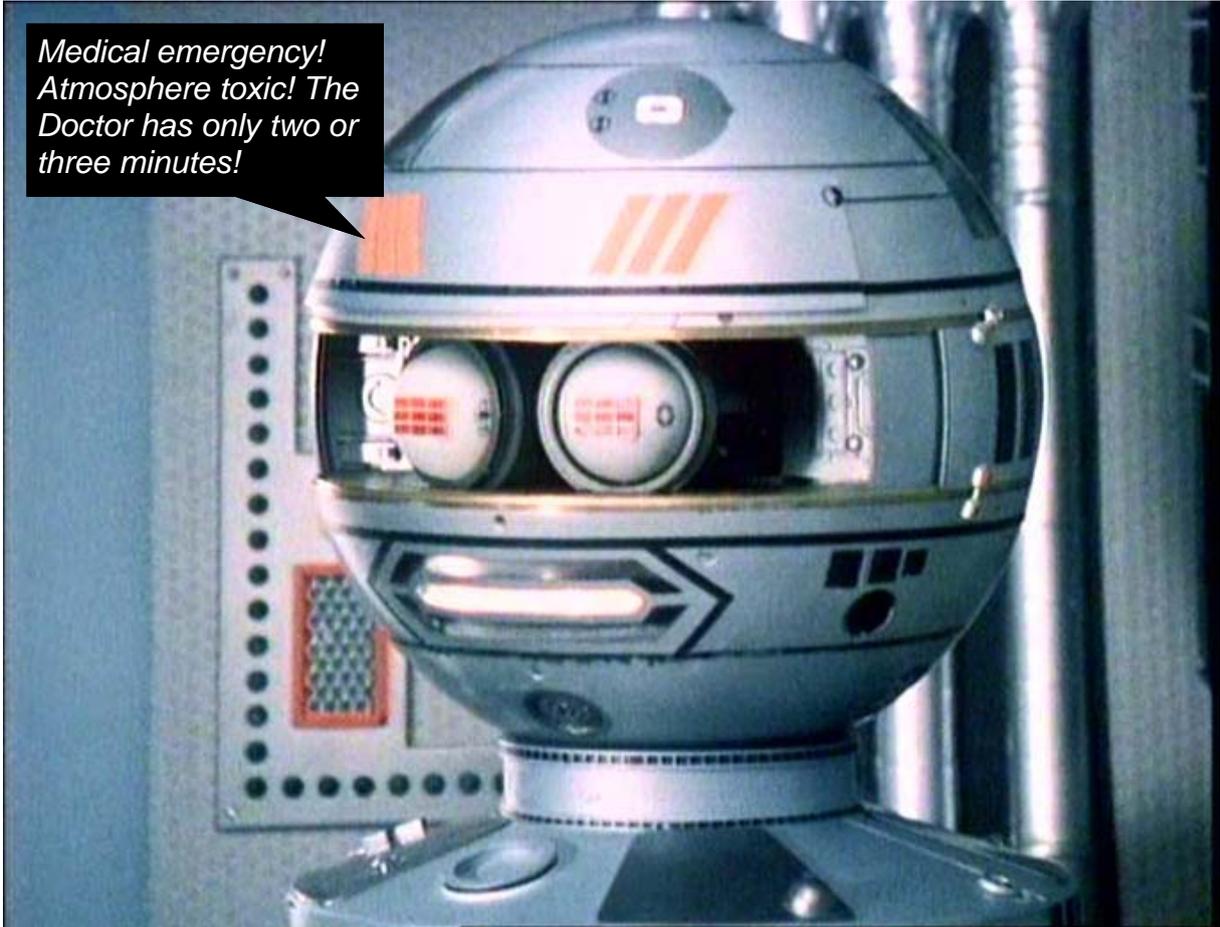

That's it. It's evaporating into the air. Get away from it, fast.

THE POISON HAS BEGUN ITS EFFECTS AND NINESTEIN COLLAPSES.

*Medical emergency!
Atmosphere toxic! The
Doctor has only two or
three minutes!*

There's one chance,
Sergeant Major: you'll have
to try and crash through!
Increase to maximum mass
and gain as much
acceleration as possible!

ZERO IS READY FOR LAUNCH.

IT LAUNCHES ITSELF AT INCREDIBLE SPEED TO THE CAVERN'S ENTRANCE.

GERONIMOOOOOOO.....

*THE TERRIBLE IMPACT BREAKS
THE ROCK BARRIER!*

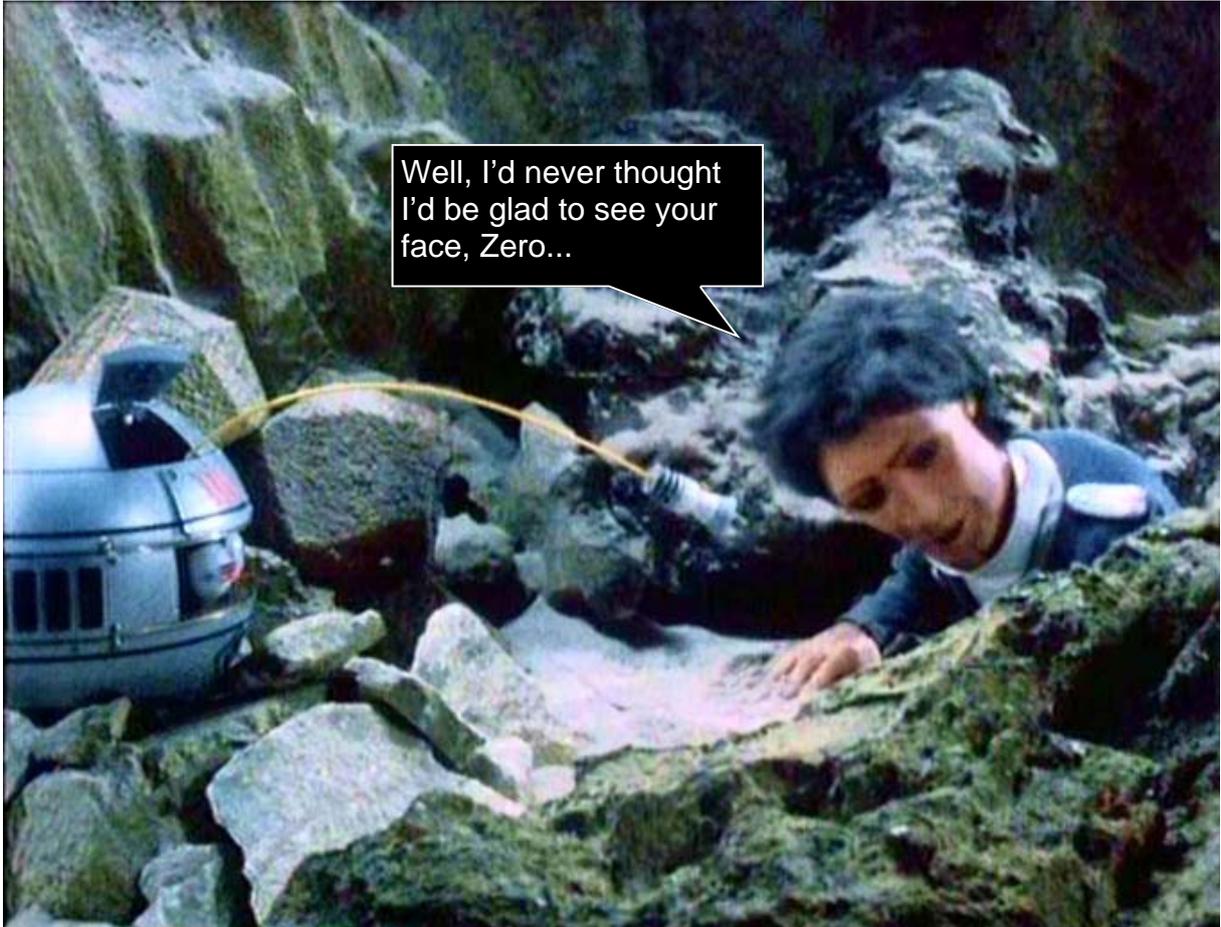

*Ohhh... Ahhh... I made
it! I made it!!!*

Great work, Sergeant Major! We're coming! In the meantime give him oxygen!

ZERO OBEYS QUICKLY.

Well, I'd never thought I'd be glad to see your face, Zero...

A LITTLE LATER...

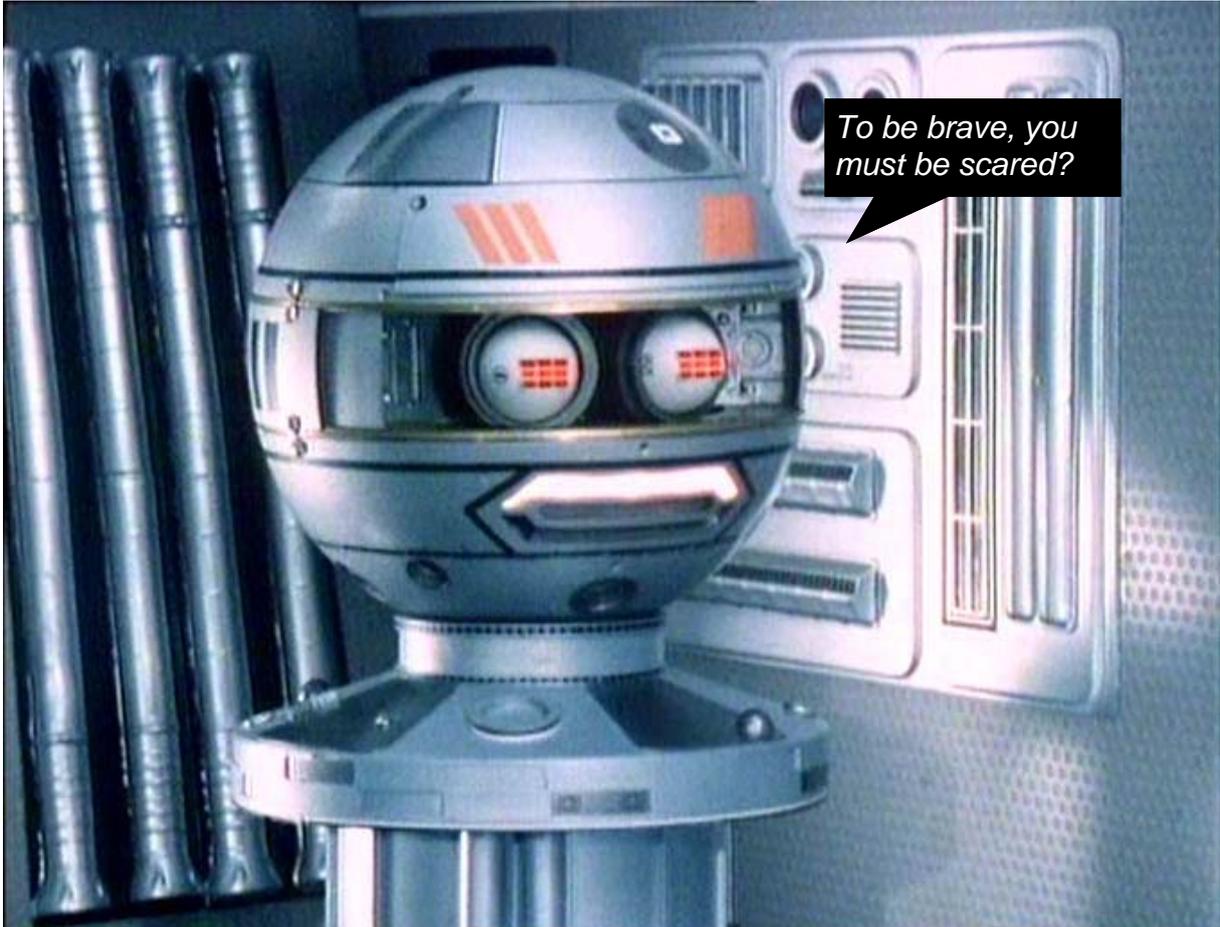

Don't fuss, Mary... I'm fine.

The Sergeant Major did the hard part. He was very brave, don't you think?

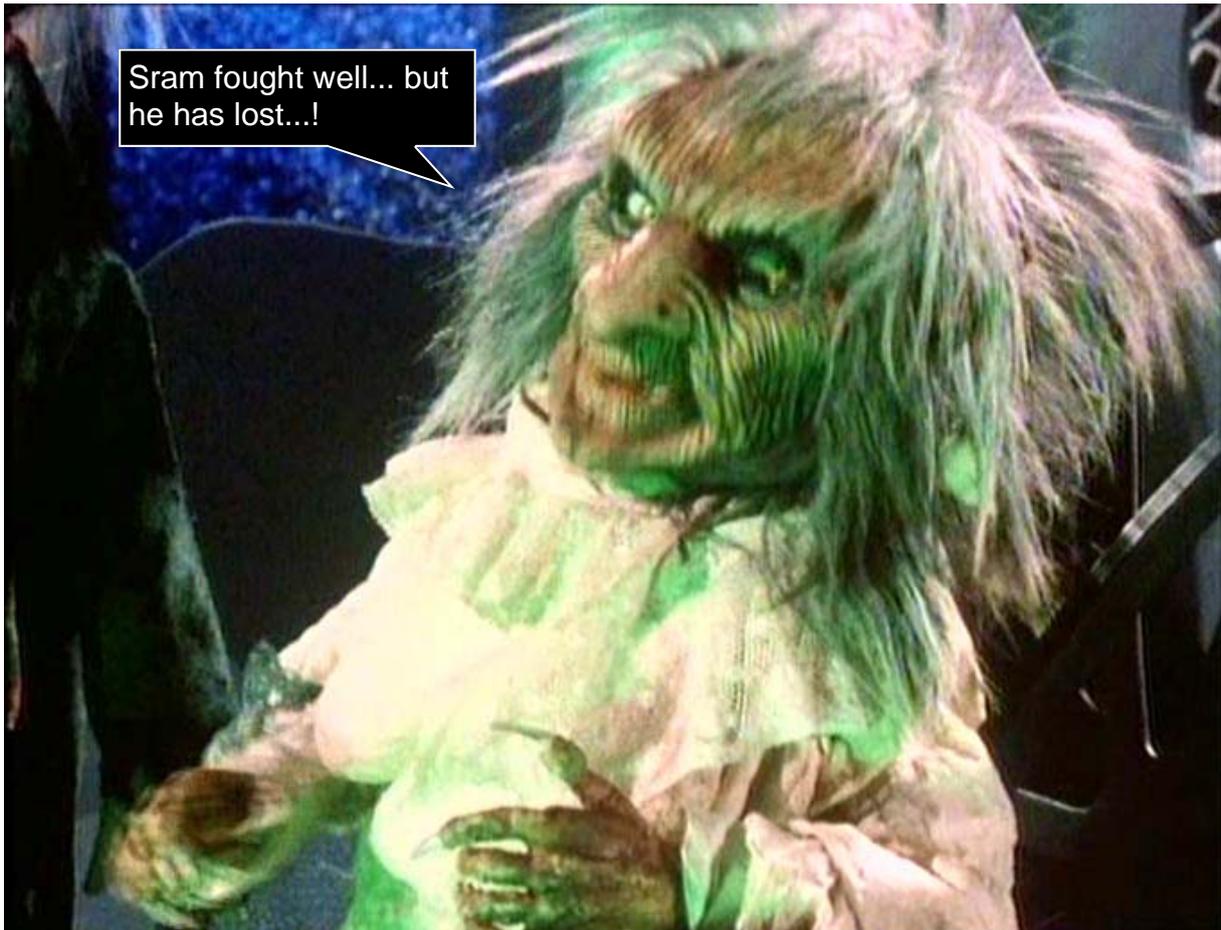

To be courageous first you've got to be afraid... a very human attribute.

MEANWHILE, ON MARS...

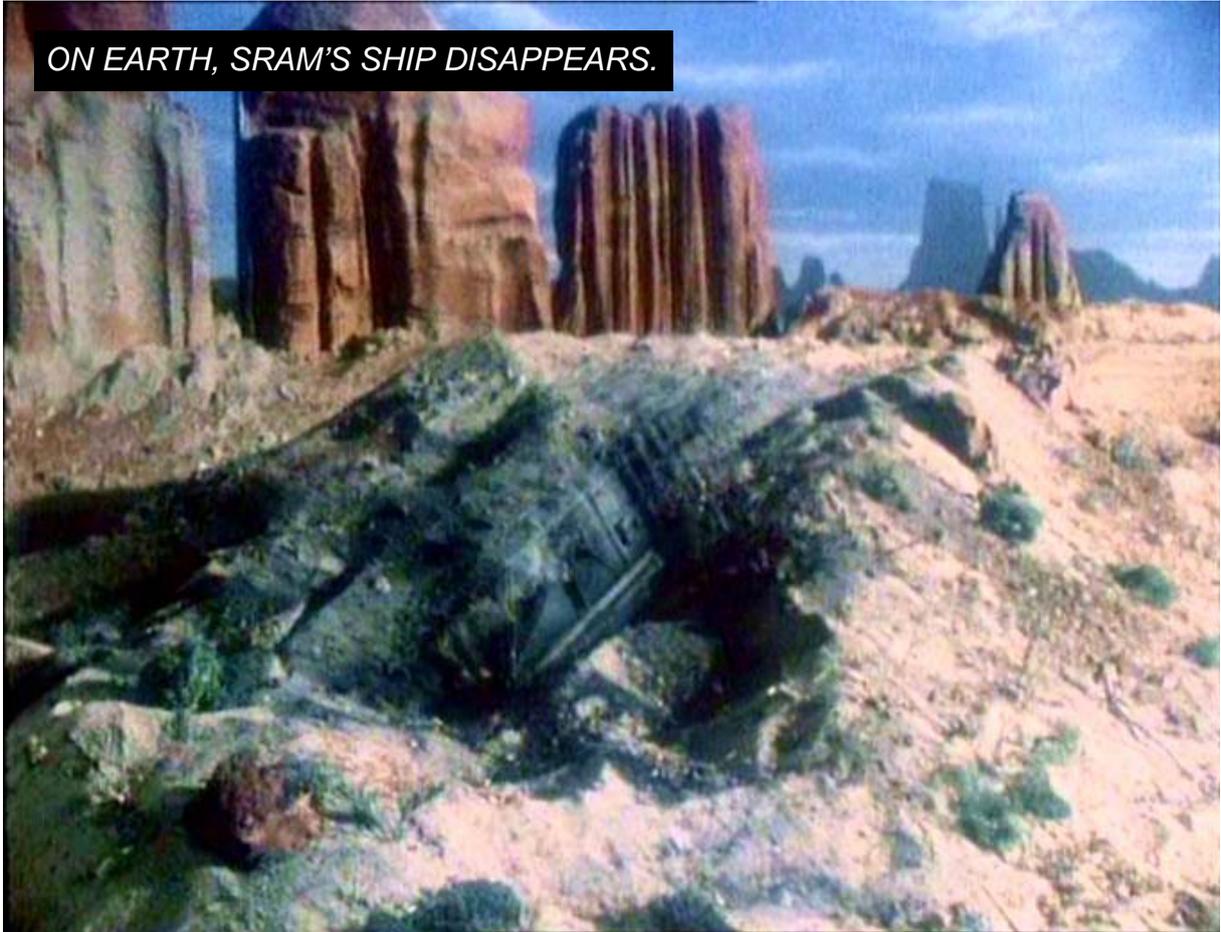

Sram fought well... but he has lost...!

It would appear that humans can be very courageous...

When they're defending themselves... Now I must rest... my powers are exhausted.

ON EARTH, SRAM'S SHIP DISAPPEARS.

Zelda reclaims
her own...

Let's go home...

THE END
